

Flex 4Life®

Skin Cream

- Has a soothing topical blend
- Contains menthol, peppermint extract, and natural vitamin E
- Provides muscle and joint support when used in combination with Flex 4Life capsules

What is Flex 4Life?

Flex 4Life cream is a soothing topical blend that combines menthol, peppermint extract, natural vitamin E, and other ingredients.

DIRECTIONS: Massage Flex 4Life® skin cream onto clean skin where needed. Wash hands thoroughly after use. May be applied as frequently as desired.

INGREDIENTS: Water, *Olea europaea* (olive) fruit oil, glycerin, polyglyceryl-6 distearate, dimethyl sulfone, glucosamine sulfate, avocado/soy unsaponifiables, cetyl myristoleate, soy lecithin, menthol, cetearyl alcohol, behenyl alcohol, tocopheryl acetate, benzyl alcohol, phenoxyethanol, butylene glycol, hydrolyzed collagen, carbomer, xanthan gum, *Salix alba* (willow) bark extract, phytic acid, *Harpagophytum procumbens* (devil's claw) root extract, *Helianthus annuus* (sunflower) seed oil, *Rosmarinus officinalis* (rosemary) leaf extract, cetyl alcohol, sodium hydroxide, *Capsicum annuum* (chili pepper) oleoresin extract, and sodium hyaluronate.

NOTICE: For external use only. Avoid contact with eyes. If contact occurs, rinse thoroughly with water. Discontinue use if redness appears. Consult a physician if irritation persists.
