

Life Rewards Plan™/Income Disclosure Statement

As discussed in  [U.S. Federal Trade Commission \(FTC\)](#) and  [Direct Selling Association \(DSA\) and Code of Ethics](#), 4Life® prohibits statements or promises that mislead consumers or prospective distributors with regard to income expectations and sets stringent guidelines for income claims and earnings representations. Income claims or earnings representations may be in the form of lifestyle claims, which include photos or drawings of expensive homes, automobiles, luxurious vacations, etc. Please read the  [Life Rewards Basics brochure](#) and  [Income Disclosure Statement](#) for more information.

Carefully read the important disclaimers below so that you don't mislead consumers.

Disclaimers in the *Life Rewards Basics* brochure:

Distributor earnings vary as a result of numerous factors. Earnings statements made in this brochure are not intended to guarantee a particular outcome, but rather show what is possible based on a broad range of 4Life distributors' historical data, personal commitment, and skill level. All references to income, implied or stated, through the Life Rewards Plan are for illustration purposes only.

(With regard to incentive trips) Less than 1% of 4Life distributors qualify for incentive trips.

Disclaimer in the *Income Disclosure Statement*:

The income statistics above are for all worldwide distributors who were eligible to earn commissions during 2016. In 2016, approximately 80% of all distributors received no income at all. These distributors who received no income are comprised of distributors who are inactive, but have not yet been terminated due to inactivity, distributors whose customer base and downline sales organization purchased product in amounts that did not qualify them to earn commission payments, or distributors who did not generate sales volume by building a customer base or downline sales organization. The earnings of the distributors in this chart are not necessarily representative of the income, if any, that a 4Life distributor can or will earn through his or her participation in the 4Life Life Rewards Plan. These figures should not be considered as guarantees or projections of your actual earnings or profits. Any representation or guarantee of earnings would be misleading. Success with 4Life results only from successful sales efforts, which require hard work, diligence, and leadership. Your success will depend upon how effectively you exercise these qualities.
