

# 4Life Transfer Factor® Belle Vie®

Targeted support for female reproductive and breast health\*

- Provides endocrine system support for women\*
- Promotes healthy detoxification in the body\*
- Provides antioxidant support\*
- Promotes healthy cellular growth\*
- Features Targeted Transfer Factor® technology

## What Is 4Life Transfer Factor Belle Vie?

4Life Transfer Factor Belle Vie is a Targeted Transfer Factor product fortified with specialized proprietary blends to support healthy hormone balance and immune system function. This potent blend of phytoestrogen, detoxification, and antioxidant ingredients helps promote endocrine system health and healthy cellular function.\*

## Key Features

- Includes a potent and proprietary phytoestrogen blend of kudzu, flax, and red clover\*
- Provides the antioxidant support of green tea and grape seed extract, along with the benefits of calcium d-glucarate\*
- Contains transfer factors that help educate immune cells and promote the immune system's ability to more effectively recognize, respond to, and remember potential health threats\*
- Is protected by U.S. patents: 6,468,534 (extraction process for transfer factors from chicken egg yolks) and 6,866,868 (combination process of transfer factors from cow colostrum and chicken egg yolks)

## Did You Know?

Phytoestrogens, or plant estrogens, are trace substances found in food which mimic the actions of the hormone estrogen. They are known to have antioxidant effects and help maintain healthy hormone balance in the body.\*

## Primary Support:

Female Health\*

## Secondary Support:

Immune System\*

Antioxidant\*

DIRECTIONS: Take two (2) capsules daily with 8 oz of fluid.
