

# 4Life Transfer Factor® Cardio

Support for a healthy heart and cardiovascular system\*

- Supports healthy cardiovascular and circulatory system function\*
- Provides nutrients that have been shown to assist in long term health and wellness\*
- Provides antioxidant support\*

## What Is 4Life Transfer Factor Cardio?

4Life Transfer Factor Cardio features exclusive 4Life Transfer Factor® Tri-Factor® Formula and other ingredients specifically developed to support a healthy cardiovascular system. Along with the immune system-enhancing benefits of 4Life Transfer Factor, this product includes heart-healthy nutrients like coenzyme Q-10, *Ginkgo biloba*, garlic, red rice yeast extract, and others to promote healthy blood pressure and cholesterol levels already in the normal range.\*

## Key Features

- Features 4Life Transfer Factor to educate immune system cells\*
- Includes red rice yeast, which contains monacolins, naturally occurring compounds that inhibit the activity of a liver enzyme that produces cholesterol†
- Contains transfer factors that help educate immune system cells and promote the immune system's ability to more effectively recognize, respond to, and remember potential health threats\*
- Is protected by U.S. patent 6,468,534 (extraction process for transfer factors from chicken egg yolks)

## Primary Support:

Heart Health\*

## Secondary Support:

Immune System\*  
Antioxidant\*

DIRECTIONS: Take four (4) capsules daily with 8 oz of fluid.
