What Is 4Life Transfer Factor Chewable Tri-Factor Formula?

Raise Your Immune I.Q. with 4Life Transfer Factor Chewable Tri-Factor Formula! Recent independent laboratory studies show that core 4Life Transfer Factor products bolster Natural Killer (NK) cell activity in the presence of a health threat, while activating a variety of other immune cells, such as B cells and T cells.† This formula provides the immune system support of Tri-Factor Formula—a combination of UltraFactor™, OvoFactor®, and NanoFactor® extracts—in a delicious citrus cream chewable tablet. The product contains ingredients made by the immune system for the immune system and represents a revolutionary advancement in 4Life Transfer Factor Science.*

Key Features

- Promotes healthy immune system function that, in turn, promotes healthy energy levels and the healthy function of all other systems throughout the body*
- Contains 4Life Transfer Factor to educate immune cells and promote the immune system's ability to more effectively recognize, respond to, and remember potential health threats*
- Provides another way to receive your daily serving of Tri-Factor Formula
- Is protected by U.S. patents: 6,468,534 (extraction process for transfer factors from egg sources) and 6,866,868 (combination process of transfer factors from cow colostrum and chicken egg yolks)

Primary Support:

Immune system*
Overall wellness*

DIRECTIONS: Take three (3) tablets daily. For adults and children 4 years of age and older.
