- Leaves your skin feeling remarkably soft and smooth

What is enummi Life C Energizing Serum?

enummi® Life C Energizing Serum® combines vitamin C and other botanicals to help energize sallow and tired-looking skin, improve texture and luminosity, diminish the appearance of age spots, and give skin the protection it needs against the elements.

Key Features

- Helps brighten skin, improve overall skin tone, and diminish the appearance of age spots with vitamin C and other botanicals
- Provides skin with beneficial antioxidants to defend against the elements
- Energizes tired skin for a more luminous appearance
- Contains 4Life Transfer Factor® with UltraFactor XF® and OvoFactor®

Key Ingredients

- **Olive (*Olea europaea*)** fruit oil and leaf extract help attract and retain moisture for supple skin, provide soothing properties, and maintain the skin's barrier function.
- **Phenylethyl Resorcinol** is a brightening ingredient that promotes even skin tone and reduces the appearance of age spots. It is also a skin protectant that maintains healthy cells and protects against the effects of oxidative stresses on the skin.
- **Tetrahexyldecyl Ascorbate** is a stable form of vitamin C and a potent antioxidant for the skin. It supports healthy collagen production, evens overall skin tone, brightens age spots, and maintains the skin's natural barrier response.
- **Retinyl Palmitate** (vitamin A) provides antioxidant properties and improves the appearance of fine lines and wrinkles and overall skin texture, while maintaining hydration in the skin.
- **Tocopheryl Acetate** (vitamin E) provides superior antioxidant protection for the skin, reduces water loss, and maintains the skin's natural barrier.

Did you know?

Your neck and chest areas age in much the same way as the skin on your face. You can apply enummi Life C Energizing Serum to the neck and décolletage areas for added antioxidant protection. Don't forget to follow with enummi® Protective Day Moisturizer.
