

enummi® Night Recovery Cream

Cream to help reduce the signs of aging while you sleep

- Helps skin retain its natural moisture barrier
- Rejuvenates and improves skin's radiance while you sleep

What is enummi Night Recovery Cream?

enummi Night Recovery Cream works hard while you sleep to rejuvenate, retain moisture, and reduce the signs of aging so you can wake up to a refreshed and luminous complexion.

Key Features

- Includes a moisture-rich complex that supports skin with hydration and humectants
- Contains a rejuvenating blend of ingredients to help skin retain moisture levels
- Fortifies the skin against environmental stresses with powerful antioxidants
- Contains 4Life Transfer Factor™ with UltraFactor XF® and OvoFactor®

Key Ingredients

- ***Aloe barbadensis* leaf juice** moisturizes and provides soothing properties for the skin. Used for thousands of years, this ingredient has a well-documented history of skin soothing benefits.
- **Sandalwood, amur corktree bark, and barley extracts** help skin retain moisture levels and prevent transepidermal water loss (TEWL) for supple skin.
- ***Vigna conitifolia* seed extract** promotes healthy cell turnover for smooth skin texture, reduces the appearance of fine lines and wrinkles, supports healthy collagen levels, and revitalizes for supple, smooth, and radiant skin.
- **Anhydroxylitol** is a humectant that visibly hydrates, prevents transepidermal water loss (TEWL), restores skin's moisture barrier, and rejuvenates for a luminous complexion.
- **Tocopheryl acetate (vitamin E)** is a superior antioxidant that provides protection for the skin, helps retain moisture levels, and creates a natural barrier.

Did you know?

Environmental changes, hormonal fluctuations, and other factors can contribute to different hydration needs. Pay attention to your skin and respond accordingly. If it feels dry and needs more moisture, try layering enummi Night Recovery Cream under enummi® Protective Day Moisturizer in the morning.

Recommended Use:

After cleansing, toning, and applying treatments, apply a liberal amount of enummi Night Recovery Cream to the face, neck, and décolletage area by massaging in small circular motions. Do not apply to the eye area. Apply every evening for best results.

Ingredients: Water, caprylic/capric triglyceride, glycerin, diethylhexyl carbonate, polysorbate 20, ethylhexyl palmitate, UltraFactor XF® (colostrum), phenoxyethanol, carbomer, caprylyl glycol, acrylamide/ammonium acrylate copolymer, *Vigna aconitifolia* seed extract, xanthan gum, polyisobutene, tocopheryl acetate, OvoFactor® (dried egg yolk), *Hordeum distichon* (barley) extract, sorbic acid, allantoin, disodium EDTA, fragrance, panthenol, xylitol, sodium hydroxide, *Aloe barbadensis* leaf juice, *Phellodendron amurense* bark extract, *Santalum album* (sandalwood) extract, anhydroxylitol, sodium citrate, xylitylglucoside, sodium hyaluronate.
