

# enummi® Protective Day Moisturizer

Hydration, nourishment, and SPF 15 protection

- Defends with certified SPF 15 broad spectrum sun protection
- Is an essential part of a proactive anti-aging regimen

## What is enummi Protective Day Moisturizer?

Moisturizing has many benefits, such as providing soft, supple skin, but most importantly it provides vital protection to maintain youthful skin. Aging skin loses its natural ability to stay hydrated, so it becomes even more important to restore moisture. enummi Protective Day Moisturizer defends with SPF 15 broad spectrum protection, while nutrients and antioxidants create a moisture barrier to leave your skin hydrated, nourished, and protected.

## Key Features

- Includes proven moisturizing ingredients for essential hydration and creates a moisture barrier
- Blends vitamins A, C, and E for powerful antioxidant protection
- Contains 4Life Transfer Factor® with UltraFactor XF® and OvoFactor®

## Did you know?

Experts estimate that 90% of aging is due to extrinsic aging or external factors such as: sun exposure, smoking, pollution, stress, lack of hydration and nutrition, and other lifestyle choices. You should use enummi Protective Day Moisturizer on your face, neck, and décolletage area every single morning to maintain and protect your complexion. Preserving skin health is easier and more effective than trying to reverse harmful effects.

## Recommended Use:

After cleansing, toning, and applying treatments, apply a liberal amount of enummi Protective Day Moisturizer to the face, neck, and décolletage area by massaging in small circular motions. Do not apply to the eye area. Apply every morning for best results.

- Item # 25030 – 12 for the price of 11
- Item # 25062 – enummi® Skin Care System
- Item # 25063 – Men's Skin Care Set

# enummi<sup>®</sup> Protective Day Moisturizer

Hydration, nourishment, and SPF 15 protection

## Key ingredients

- **Sunscreen Blend (octinoxate, avobenzone, octisalate)** protects the skin from a broad range of the sun's rays, including UVA and UVB rays.
- ***Aloe barbadensis* (aloe vera)** moisturizes and provides soothing properties for the skin. Used for thousands of years, this ingredient has a well-documented history of skin soothing benefits.
- ***Moringa pterygosperma* seed extract** helps protect against pollutants and condition the skin.
- Known for its excellent polyphenol content and antioxidant properties, ***Camellia sinensis* (white tea) extract** helps reduce the effects of oxidative damage and environmental stresses on the skin.
- **Phospholipids** are essential fatty acids that that help maintain healthy cell barrier function. As natural moisturizing factors (NMF), they help keep the skin moist by attracting and retaining water.
- **Vitamins A, C, and E** provide antioxidant protection for the skin, reduce water loss, and provide a natural barrier.
