

Renuvo®

Top-selling healthy aging formula that promotes total body recovery*

Renuvo is formulated to support:

- Total body recovery*
- Mental acuity*
- Sexual vitality*
- Energy*
- Mood*
- Metabolism*

What is Renuvo?

Renuvo is a patent-pending adaptogenic formula that targets healthy aging by supporting a more youthful response to daily life stressors, such as an unhealthy diet, intensive exercise, or mental stress. 4Life Transfer Factor®—4Life's proprietary immune system support ingredient—is at the core of Renuvo.*

In a randomized, placebo-controlled, 30-day safety and efficacy pre-clinical study conducted at the University of Missouri, Department of Biomedical Sciences (Columbia, MO), Renuvo reduced the physiological stress marker TNF-alpha, improved antioxidant capacity, and alleviated the gain in body weight in response to a high-fat, high-sugar diet.¹

Key features

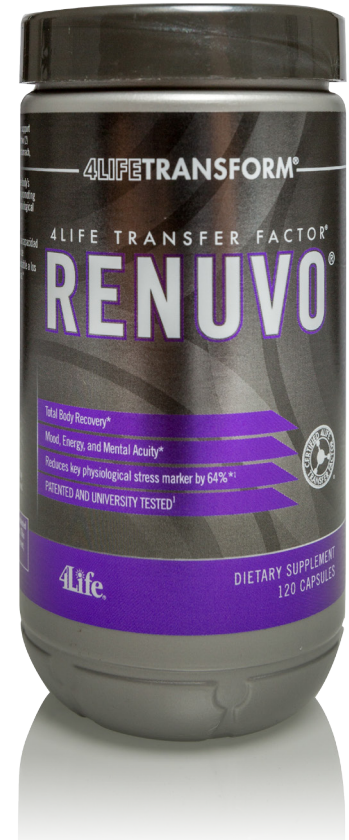

- Provides support for everyone over the age of 18 who wants a more youthful response to the daily stressors of life, such as unhealthy diet, intensive exercise, or mental stress*
- Includes adaptogenic herbs like rhaponticum, schisandra, and ashwagandha, plus botanicals such as green tea, turmeric, and resveratrol, and the amino acid ALCAR (Acetyl-L-Carnitine)*
- Offers the patent-protected 4Life® Tri-Factor® Formula, one of the most revolutionary immune system support extracts available*
- Provides transfer factors, which support the immune system's natural ability to respond appropriately when challenged with health threats*
- Helps increase the body's natural defenses against physiological stress*

Did you know?

TNF-alpha is a key protein of your immune system produced in response to occasional physiological stresses, such as intense exercise, high-fat/high-sugar diet, poor sleep, mental stress, and environmental pollutants. TNF-alpha is released by the immune system to exert protective functions and regeneration. But, when not shut down at the appropriate time, this continued defense response places additional stress on your body systems, causing negative outcomes such as advanced aging, fat gain, muscle loss, and low energy. It's important to keep TNF-alpha under control and create a cellular environment that helps get your body back into balance.*

Primary Support:

Healthy Aging*
Antioxidant*
Overall Wellness*
Immune System Support*

DIRECTIONS: Consume two (2) capsules, twice daily. To support recovery from high physical stress demands, consume two (2) capsules three (3) times daily. Consume on an empty stomach, with 8 oz of water.

Supplement Facts

Serving Size: Two (2) Capsules	
Servings Per Container: 60	
Amount Per Serving	% Daily Value
4Life® Tri-Factor® Formula	50 mg **
UltraFactor XF®	
A proprietary concentrate of ultra-filtered 4Life Transfer Factor® proteins and other peptides from cow colostrum	
OvoFactor®	
A patented concentrate of 4Life Transfer Factor® proteins and other peptides from chicken egg yolk	
NanoFactor®	
A proprietary concentrate of nano-filtered cow colostrum	
4Life® Adaptogenics Blend	1.11 g **
<i>Rhaponticum carthamoides</i> root extract	**
<i>Schisandra chinensis</i> fruit extract	**
ALCAR (as Acetyl-L-Carnitine HCl)	**
Green Tea (<i>Camellia sinensis</i>) leaf extract	**
Ashwagandha (<i>Withania somnifera</i>) root extract	**
Turmeric (<i>Curcuma longa</i>) root extract	**
Resveratrol (from <i>Polygonum cuspidatum</i> root extract)	**
Black Pepper (<i>Piper nigrum</i>) fruit extract	**
** Daily Value not established	

OTHER INGREDIENTS: Gelatin capsule and silicon dioxide. CONTAINS INGREDIENTS FROM MILK AND EGG.
