What Is 4Life Transfer Factor RioVida Chews Tri-Factor Formula?

Ride the river of life with 4Life Transfer Factor RioVida Chews Tri-Factor Formula! RioVida Chews offers an on-the-go source of 4Life Transfer Factor® Tri-Factor® Formula in delicious, individually wrapped chews. RioVida Chews offers antioxidant support and also supports your immune system's natural ability to recognize, respond to, and remember potential health threats. Recent independent laboratory studies show that core 4Life Transfer Factor products bolster Natural Killer (NK) cell activity in the presence of a health threat, while activating a variety of other immune system cells, such as B cells and T cells.*†

Key Features

- Offers a delicious and convenient source of 4Life Transfer Factor
- Delivers antioxidants that help protect the body from naturally occurring free radicals*
- Promotes healthy immune system function that, in turn, promotes healthy energy levels and the healthy function of other systems throughout the body*
- Is protected by U.S. patents: 6,468,534 (extraction process for transfer factors from egg sources) and 6,866,868 (combination process of transfer factors from cow colostrum and chicken egg yolks)
- Recent independent laboratory studies show that core 4Life Transfer Factor products bolster Natural Killer (NK) cell activity in the presence of a health threat, while activating a variety of other immune system cells, such as B cells and T cells.†

Directions: Take two (2) soft chews daily. For adults and children 4 years of age and older.
