

RiteStart® Kids & Teens

Vitamins, minerals, and immune system support for kids ages two and up*

- Supports strong bones, healthy muscle function, and healthy vision*
- Contains 22 essential vitamins and minerals*
- Includes B vitamins for healthy brain function and healthy energy support*
- Bolsters Natural Killer (NK) cell activity in the presence of a health threat while activating a variety of other immune cells*†
- Promotes long-term health and wellness*
- Provides essential vitamins and minerals to help ensure kids and teens receive the nourishment needed for proper growth and overall health*

What Is RiteStart Kids & Teens?

RiteStart Kids & Teens provides the essential vitamins and minerals needed for proper growth and overall health. In addition to 22 essential vitamins and minerals—including the antioxidant vitamins A, C, and E—this quality formula provides the immune system support of 4Life Transfer Factor® Tri-Factor® Formula. Recent independent laboratory studies show that core 4Life Transfer Factor® products bolster NK cell activity in the presence of a health threat, while activating a variety of other immune system cells, such as B cells and T cells.*†

Feel confident every day by giving your growing kids and teens a comprehensive nutritional supplement that supports immune system wellness, healthy energy levels, bone development, healthy muscle, vision, skin, and brain function. RiteStart Kids & Teens gives your kids more than just a right start to their day. It supports a right start to a healthy life.*
