- Provides vision and eye health support\*

## What Is RiteStart Women?

Named for the exact purpose it provides... a right start for your day, for your health, and for your life, this product supplies a combination of key nutritional supplements for comprehensive wellness support. In addition to a quality vitamin and mineral blend, RiteStart features the patented immune system support of 4Life Transfer Factor Plus Tri-Factor Formula, a proprietary women's health blend, essential fatty acids, antioxidants, and important nutrients to support eye health, bone health, skin health, and healthy joint function. This complete formula makes RiteStart one of the best and most complete wellness products available today.\*

## Key Features

- Makes it easy to follow a complete wellness supplement regimen
- Promotes healthy immune system function that, in turn, supports healthy energy levels and the healthy function of all other systems throughout the body\*
- Contains transfer factors (immune messenger molecules) that help educate immune cells, supporting your immune system's ability to recognize, respond to, and remember potential health threats\*
- Helps meet the unique nutritional needs of women with increased amounts of folic acid, calcium, magnesium, and ipriflavone for bone health, as well as soya bean seed extract and broccoli sprout extract for healthy hormonal balance\*
- Contains potent antioxidants, including: vitamins A, C, and E, OPCs (oligomeric proanthocyanidins) such as pinebark and grapeseed extracts, bilberry, lutein, CoQ10, alpha-lipoic acid, and green tea\*
- Includes Cordyvant™, a proprietary blend of maitake mushrooms, shiitake mushrooms, cordyceps, IP-6 (inositol hexaphosphate), olive leaf extract, and other ingredients to nourish innate immune system function\*
- Provides a quality source of essential fatty acids\*
- Is protected by U.S. patents: 6,468,534 (extraction process for transfer factors from egg sources) and 6,866,868 (combination process of transfer factors from cow colostrum and chicken egg yolk)
- Includes bioavailable forms of vitamins B1, B2, B6, and B12
