What Are 4Life Essential Oils?

4Life Essential Oils have been carefully collected from the finest plants around the world to provide beneficial properties for your body, soul, and life. Each oil's authenticity and aroma wisdom are guaranteed through the 4Life-PIQ™, a proprietary quality process that carefully screens essential oils for purity, authenticity, aroma power, and plant wisdom. 4Life Essential Oils are liberated through steam distillation, safe and high-quality solvent extraction, and cold pressing.

Aromatic Experience

Peaceful, fresh, sweet, citrus, woody, minty, nutty, and spicy

Origins

Orange essential oil—cold-pressing the peels of Brazilian *Citrus sinensis* oranges

Patchouli essential oil—steam distillation of the leaves of the *Pogostemon cablin* plant from Indonesia

Peppermint essential oil—steam distillation of the *Mentha piperita* plant from Washington, USA

Clary sage essential oil—steam distillation of aerial parts of the *Salvia sclarea* plant from France

Did You Know?

Pure essential oils provide pleasant scents and other beneficial properties that come from 100% natural components. Common air fresheners and body sprays often contain synthetic fragrance components that can elicit certain side effects in some people.

DIRECTIONS: Diffuse the oil in an aromatic oil diffuser. To use topically, dilute 1 drop in 4 or more drops of carrier oil. If skin irritation occurs, discontinue use.

INGREDIENTS: Orange (*Citrus aurantium dulcis*) peel oil, Patchouli (*Pogostemon cablin*) leaf oil, peppermint (*Mentha x piperita*) leaf oil, Clary sage (*Salvia sclarea*) leaf oil, and 4Life Tri-Factor™ Formula.

CAUTION: KEEP OUT OF REACH OF CHILDREN. KEEP AWAY FROM EYES, INNER EARS, AND SENSITIVE AREAS. Consult with your physician prior to use if you are pregnant or nursing. Wash off product prior to sunlight or UV rays exposure.
