Earn 25% every time you share!

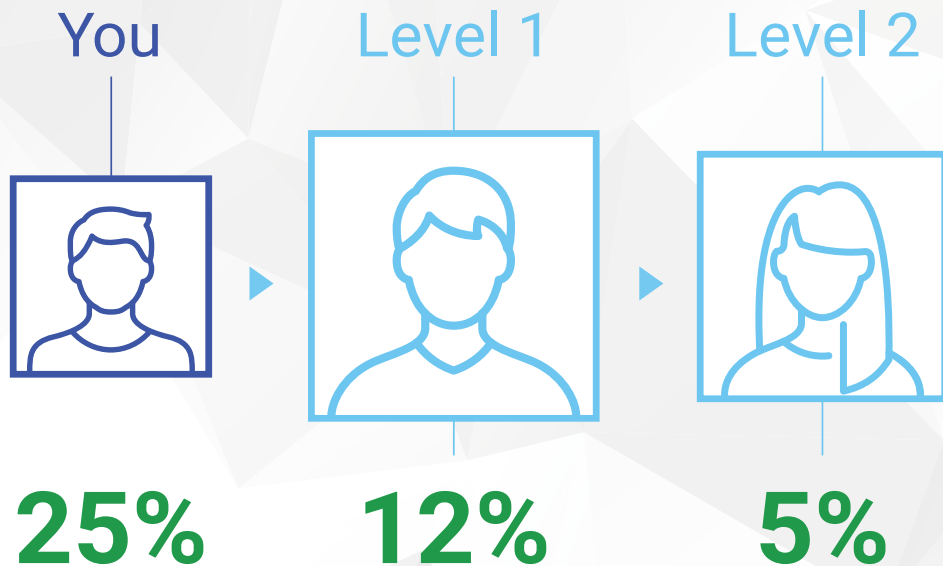

MyShop is a personal website provided to you by 4Life upon sign up.

Associates and above earn 25% on the LP of product orders placed by customers on their MyShop account.*

Affiliates with no downline earn MyShop Rewards (25% of LP) from purchases made on their MyShop account.*

MyShop Rewards are automatically applied at checkout on the next 4Life order and can be used to pay up to 50% off the wholesale product price (before any Instant Discount is applied).

*Must have met the 100 PV monthly requirement.

Upon achieving the 100 PV requirement, you will earn a 25% commission on all personal MyShop customer orders. Plus, once qualified, you will earn a 12% commission on your level 1 MyShop orders, and a 5% commission on your level 2 MyShop orders.

For qualified Affiliates, a 2% 4th generation is paid on all MyShop Orders. The remaining payout continues according to the Life Rewards Plan until all levels are paid out.

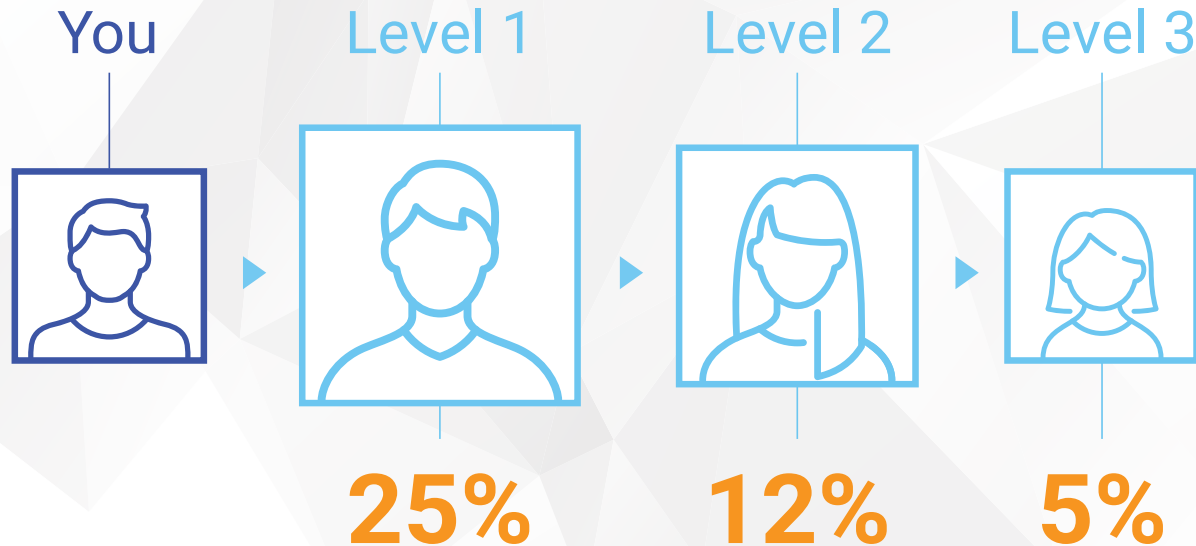

Earn 25% and get paid daily!

With Rapid Rewards, you earn a 25% commission on the first LP order of every new Affiliate you personally sign up. When qualified, you also earn 12% on the first LP order of every new Affiliate on your second level and 5% on the first LP order of every new Affiliate on your third level.*

Rapid Rewards is paid daily to your 4Life account when you've qualified.

*These percentages only apply when the enroller and sponsor are the same person.

The first, second, and fourth level payouts for the first LP orders are shifted. Sign someone up and receive 25%, and your immediate upline receives 12%. The next two immediate qualified upline Affiliates receive 5% and 2%, respectively. The remaining payout continues according to the Life Rewards Plan until all levels are paid out.

Infinity Payout

Generations consolidate levels to maximize payout

4Life Infinity Payout starts from the Diamond rank and beginning from the 4th level where it has the ability to pay for multiple levels. This Infinity Payout continues for an infinite number of levels until reaching an Affiliate of same or higher rank. At this point, the Affiliate will begin receiving the percentage payout for the next earned percentage based on the rank they hold.

The 4Life compensation plan will pay out all percentages shown. When an Affiliate does not qualify to earn one of the percentage payouts, the program will look in the upline for the next eligible Affiliate who has qualified to earn that percentage payout. This upline could potentially receive an infinite number of these percentage payouts depending on the depth of the downline and the ranks of those in the downline.

This is called the Infinity Payout.

Example 1

As we can see in the diagram on the right, the Diamond received the guaranteed 2%, 25%, 5%, and 6% payouts for the first 4 levels. Due to the fact that none of the others qualified for any higher ranks (all are below Diamond rank), the Diamond continues to receive the 6% on ALL downline accounts and can continue to receive 6% on additional accounts as they enroll further in the downline. This will continue until there are no more accounts to pay on or until another achieves the rank of Diamond or Higher.

Example 2

As we can see in the diagram on the right, the Presidential received the guaranteed 2%, 25%, 5%, and 12% payouts for the first 4 levels. Due to the fact that none of the others qualified for any higher ranks (all are below Presidential rank), the Presidential continues to receive the 3% on ALL downline accounts and can continue to receive 3% on additional accounts as they enroll further in the downline. This will continue until there are no more accounts to pay on or until another achieves the rank of Presidential or Higher.
