

4LIFE TRANSFER FACTOR

PLUS

TRI-FACTOR FORMULA

COW COLOSTRUM AND EGG YOLK
NET WEIGHT 90 CAPSULES X 486 mg

PRODUCT GUIDE

SINGAPORE VERSION

In 1998, Founders David and Bianca Lisonbee embarked on a journey to bring phenomenal 4Life Transfer Factor® products to the world. Unlike common supplements you find in health food stores, transfer factors aren't vitamins, minerals, or herbs. Instead, they're messenger molecules that transfer immune system memory and knowledge from one entity to another.

The introduction of 4Life Transfer Factor opened the door for further research, patented techniques, and a new category of immune system products that support health in a different way—by the immune system, for the immune system. Our in-house Quality department, which is comprised of scientists and medical professionals, continually raises the standard for modern-day immune system supplementation and ensures the cutting-edge quality of our products.

Because of our deep commitment to quality, excellence, and scientific innovation, we certify every 4Life Transfer Factor product we sell. In our state-of-the-art, million-dollar testing lab, we conduct at least 20 tests per product to ensure identity, purity, strength, and composition. Many products undergo additional, rigorous quality assurance tests before we release them for distribution.

Our products are the foundation and heart of our business. We strive to create products that meet and exceed the highest standards, so you can feel confident incorporating them into your health routine and sharing them with your friends and loved ones.

4Life Transfer Factor core products

Immune System Science Innovation

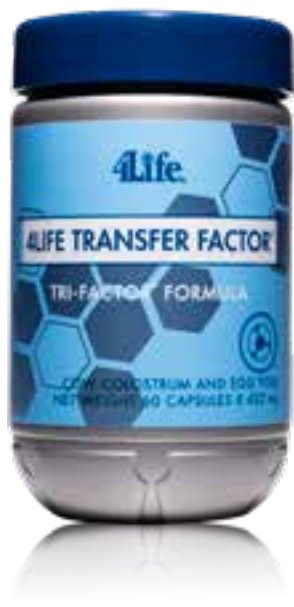

When you feel healthy, you can live your best possible life. You need a healthy immune system to help you fight back against the threats you face each day. That's why millions of people around the world choose to take 4Life Transfer Factor products.

Transfer factors are messenger molecules that transfer immune system information from one organism to another.

4Life Transfer Factor® Tri-Factor® Formula

PRIMARY SUPPORT: Immune System, Overall Wellness

Offers wellness according to what your body needs.

- 4Life Transfer Factor promotes healthy immune system function that, in turn, promotes healthy function of all other systems in the body.
- Each serving (2 capsules) contains 600mg of 4Life Transfer Factor made from cow colostrum and egg yolk.
- IFANCA Halal certified.

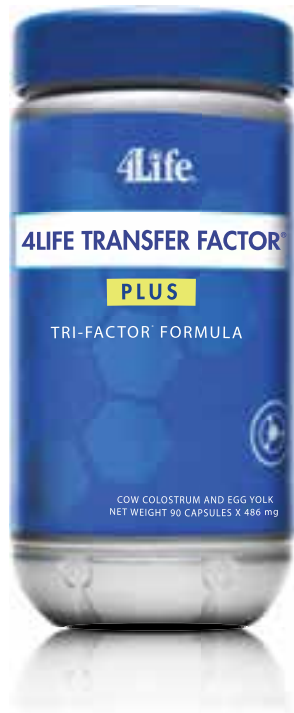

60 vegetable capsules

Item #

70024070

Did You Know?

Transfer Factors are proteins and peptides that help your immune system recognize, respond to, and remember potential health threats.

4Life Transfer Factor® Plus Tri-Factor® Formula

PRIMARY SUPPORT: Immune System, Overall Wellness

Combines 4Life Transfer Factor with a proprietary blend to maintain healthy immune system function.

- Contains a proprietary blend of ingredients including cordyceps sinensis, maitake and shiitake mushrooms, agaricus blazeii, beta-glucans (from baker's yeast and oats), and olive leaf extract, to help stimulate a healthy immune system response.
- Contains Zinc for immune system support.
- Each serving (3 capsules) contains 300mg of 4Life Transfer Factor made from cow colostrum and egg yolk.
- IFANCA Halal certified.

90 vegetable capsules

Item#

70024075

Did You Know?

Besides their culinary use, mushrooms such as **cordyceps, maitake, and shiitake** have also been used traditionally to support immune function. These mushrooms are high in compounds called beta-glucans, which have been shown to provide general health to the body system.

4Life Transfer Factor® Chewable Tri-Factor® Formula

PRIMARY SUPPORT: Immune System, Overall Wellness

Enjoy the same benefits of 4Life Transfer Factor Tri-Factor Formula in a great-tasting citrus cream-flavored chewable tablet.

- 4Life Transfer Factor promotes healthy immune system function that, in turn, promotes healthy function of all other systems in the body.
- Each serving (3 tablets) contains 600mg of 4Life Transfer Factor made from cow colostrum and egg yolk.
- A great option for those who prefer not to swallow capsules.
- IFANCA Halal certified.

90 chewable tablets

Item #

70024042

4Life Transfer Factor® RioVida® Tri-Factor® Formula

PRIMARY SUPPORT: Immune System, Antioxidant, Overall Wellness

SECONDARY SUPPORT: Brain Health, Heart Health, Energy

A liquid dietary supplement that combines Transfer Factor with antioxidant-rich superfruits.

- Each 30ml serving contains 600mg of 4Life Transfer Factor made from cow colostrum and egg yolk.
- Proprietary combination of acai, pomegranate, blueberry, elderberry, apple, and purple grape, for antioxidant support.
- Contains essential and supporting nutrients such as vitamin C, amino acids, fatty acids, and polyphenols.
- IFANCA Halal certified.

500ml per bottle

Item #

70024104

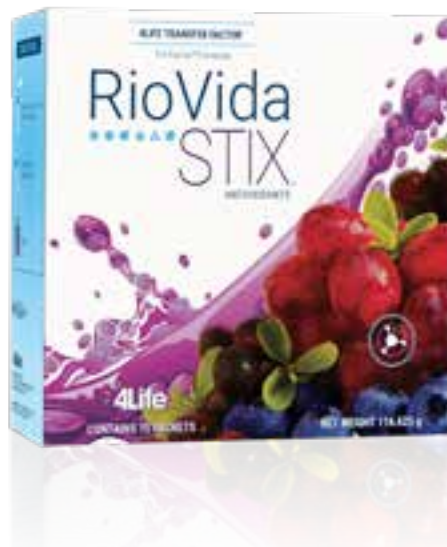

500ml x 2 bottles

Item #

70024105

Did You Know?

The **acai berry** is the fruit of the acai palm and is traditionally consumed in Brazil. It is a rich source of antioxidants, which help neutralize the free radical activities due to exposure to air pollutants, industrial chemicals, and other compounds in our environment.

4Life Transfer Factor® RioVida Stix™ Tri-Factor® Formula

PRIMARY SUPPORT: Immune System, Antioxidant, Overall Wellness

SECONDARY SUPPORT: Brain Health, Heart Health, Energy

The immune system goodness of RioVida in a convenient and portable powder pack.

- Each powder packet contains 600mg of 4Life Transfer Factor made from cow colostrum and egg yolk.
- Proprietary combination of acai, pomegranate, purple carrot, blueberry, elderberry, apple, and purple grape, for antioxidant support.
- Replenishes electrolytes to support healthy nervous system and muscle function.
- IFANCA Halal certified.

15 x 8g powder packets

Item #

70024113

4Life Transfer Factor® RioVida Burst® Tri-Factor® Formula

PRIMARY SUPPORT: Immune System, Antioxidant, Overall Wellness

SECONDARY SUPPORT: Brain Health, Heart Health, Energy

The immune system goodness of RioVida conveniently packaged in a smooth and delicious edible gel blend.

- Each packet contains 600mg of 4Life Transfer Factor made from cow colostrum and egg yolk.
- Proprietary combination of acai, pomegranate, blueberry, elderberry, apple, and purple grape, for antioxidant support.
- Convenient and easy to share.
- Does not require refrigeration.
- IFANCA Halal certified.

15 x 30ml gel packets

Item #

70024110

NutraStart® (Chocolate)

PRIMARY SUPPORT: General Nutrition, Vitamin & Mineral

SECONDARY SUPPORT: Weight Management, Immune System

A nutritious and delicious daily shake mix that jump-starts your day or can be used as a between-meals option.

- Excellent source of protein from soy and whey to support tissue building and growth.
- Contains essential macronutrients and micronutrients, including vitamins, minerals, and dietary fiber.
- Soy protein and soy fiber come from non-GMO sources.
- IFANCA Halal certified.

15-serving per canister

Item #

70028087

Did You Know?

Soy is a plant-based food high in protein and contains all nine essential amino acids. It is also an excellent source of fiber, iron, calcium, zinc, and vitamin Bs.

4Life Transfer Factor™ RenewAll™

An easy-to-apply skin gel that promotes healthy skin.

- Contains 4Life Transfer Factor™.
- Includes aloe vera, rosemary, chamomile, and lavender.
- Paraben free.
- IFANCA Halal certified.

56.7g per tube

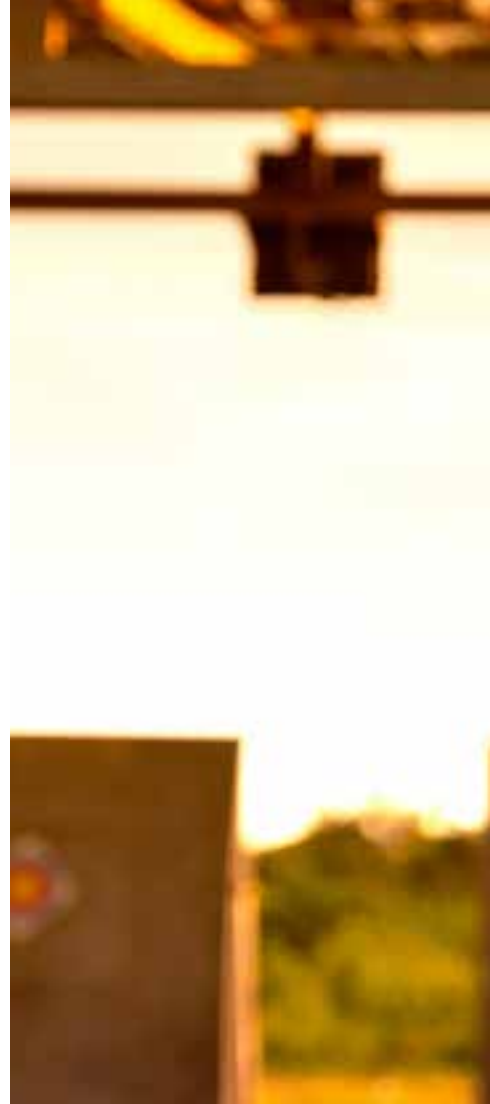

Item #

70025041

Targeted Transfer Factor

Focused Support For Your Body's Needs

Targeted Transfer Factor products combine the immune system benefits of 4Life Transfer Factor with system-specific nutrients to provide a focused and personal level of health support.

4Life Transfer Factor® Cardio

PRIMARY SUPPORT: Heart Health

SECONDARY SUPPORT: Immune System, Antioxidant

A heart-healthy combo of 4Life Transfer Factor which comes with 20 over vitamins, minerals, herbs, and antioxidant nutrients.

- Features 4Life Transfer Factor for immune system wellness.
- Provides support for a healthy heart and cardiovascular function.
- Contains a proprietary blend of hawthorn, coenzyme Q10, Ginkgo biloba, garlic, red rice yeast extract, and other nutrients to help maintain healthy blood pressure and cholesterol levels.
- Provides antioxidant support to neutralize the free radicals in the body.
- IFANCA Halal certified.

120 vegetable capsules

Item #

70021002

4Life Transfer Factor® GluCoach®

PRIMARY SUPPORT: Glucose Metabolism

SECONDARY SUPPORT: Immune System, Antioxidant

Targeted support for the endocrine and metabolic systems.

- Features 4Life Transfer Factor for immune system wellness.
- Includes a proprietary blend of Pterocarpus marsupium, Gymnema sylvestre, fenugreek seed extract, Momordica charantia fruit extract, and Korean ginseng to promote healthy endocrine and metabolic system.
- Contains phytonutrients and minerals such as alpha lipoic acid, chromium, and vanadium to support healthy blood sugar levels.
- IFANCA Halal certified.

120 vegetable capsules

Item #

70029001

4Life Transfer Factor® MalePro™

PRIMARY SUPPORT: Male Health

SECONDARY SUPPORT: Immune System, Antioxidant

Targeted support for men's health and promote prostate health.

- Features 4Life Transfer Factor for immune system wellness.
- Includes saw palmetto, nettle, isoflavones, and broccoli extract to support prostate health.
- Contains antioxidant nutrients such as zinc, selenium, and lycopene to neutralize the free radicals in the body.
- IFANCA Halal certified.

90 bovine gelatin softgels

Item #

70022562

4Life Transfer Factor® Belle Vie®

PRIMARY SUPPORT: Female Health

SECONDARY SUPPORT: Immune System, Antioxidant

Targeted support for women's health.

- Features 4Life Transfer Factor for immune system wellness.
- Supports female healthy hormonal balance.
- Helps maintain female reproductive system health.
- Includes a blend of phytoestrogens, indoles, and calcium d-glucarate to support female endocrine health.
- Contains antioxidant nutrients such as grape seed extract and green tea to neutralize the free radicals in the body.
- IFANCA Halal certified.

60 vegetable capsules

Item #

70022535

4Life Transfer Factor Vista®

PRIMARY SUPPORT: Eye Health

SECONDARY SUPPORT: Immune System, Antioxidant

Targeted support for healthy eye function.

- Features 4Life Transfer Factor for immune system wellness.
- Assists eye adaption to variations in light intensity.
- Contains carotenoids such as lutein and zeaxanthin to maintain macula health.
- Contains antioxidant nutrients such as bilberry, blackberry, black currant, astaxanthin, bioflavonoids, vitamin A, C, E, and zinc to help reduce the oxidative effects of the sun and environment.
- Helps to reduce eye strain and relieve visual fatigue.
- IFANCA Halal certified.

60 vegetable capsules

Item #

70029501

4Life Transfer Factor® ReCall™

PRIMARY SUPPORT: Brain Health

SECONDARY SUPPORT: Immune System

Targeted support for brain health.

- Features 4Life Transfer Factor for immune system wellness.
- Promotes memory health and learning ability.
- Contains L-alpha glycerylphosphorylcholine, phosphatidylserine, citrus bioflavonoids, green tea, panax ginseng, ginkgo biloba, grape seed, and turmeric to support blood circulation for healthy brain function.
- Maintains mental recall and cognitive function.
- IFANCA Halal certified.

90 vegetable capsules

Item #

70022003

4Life Transfer Factor® KBU™

PRIMARY SUPPORT: Urinary Health

SECONDARY SUPPORT: Immune System, Antioxidant, Cleansing & Detox

Targeted support for a healthy urinary system.

- Features 4Life Transfer Factor for immune system wellness.
- Supports the bladder with cleansing ingredients such as dandelion, chanca piedra, varuna, and mannose.
- Supports healthy kidney and urinary tract function with cranberry, IP-6, dandelion, chanca piedra, and varuna.
- Suitable for both men and women.
- IFANCA Halal certified.

120 vegetable capsules

Item #

70025501

4Life Transfer Factor® Collagen

PRIMARY SUPPORT: Skin Health & Beauty, Muscle Health

SECONDARY SUPPORT: Immune System, Antioxidant

Targeted support for healthy skin, hair, and nails.

- Features 4Life Transfer Factor for immune system wellness.
- Contains 5,000mg fish-derived Type I hydrolyzed collagen per packet.
- Helps enhance collagen formation.
- Helps improve skin moisture, tone, and elasticity.
- Contains vitamin C and E that provide antioxidant support for skin health.
- Supports muscle health and joint function.
- IFANCA Halal certified.

15 x 6.6g powder packets

Item #

70025407

General Health and Wellness

Healthy Beginnings Start Here

Providing a strong foundation of support for good digestion and gastrointestinal health, essential fatty acids, and antioxidant support, 4Life General Health and Wellness products complement our transfer factor line to provide you with extensive health support that meets your body's varied needs.

BioEFA™

PRIMARY SUPPORT: Brain Health, Eye Health, Heart Health

SECONDARY SUPPORT: Weight Management, Overall Wellness

Essential fatty acids for a healthy heart, brain, eye, and respiratory health support.

- Contains omega-3 and omega-6 fatty acids from fish oil (rich in DHA and EPA), borage seed oil (rich in gamma-linolenic acid, GLA), flaxseed oil (rich in alpha-linolenic acid, ALA), and safflower seed oil (rich in conjugated linoleic acid, CLA).
- Supports healthy brain, eye, skin, and respiratory function.
- Promotes overall cardiovascular health and supports healthy cell membranes.
- IFANCA Halal certified.

60 bovine gelatin softgels

Item #

70028095

Did You Know?

Omega-3 and **Omega-6** fatty acids are **essential fatty acids**. They have a crucial role in supporting multiple body systems' function, as well as promoting healthy growth and development. As the body can't make them, hence you have to get them through foods such as oily fish and seafood, leafy vegetables, seeds, nuts, grains, and vegetable oils.

Probiotics

PRIMARY SUPPORT: Digestive Health

SECONDARY SUPPORT: Immune Health

Contains a proprietary blend of five active probiotic strains to provide a wide range of probiotic support.

- The 5 active probiotic strains – *lactobacillus acidophilus*, *lactobacillus rhamnosus*, *bifidobacterium lactis*, *bifidobacterium longum*, and *streptococcus thermophilus* help maintain levels of ‘good’ bacteria in the gut.
- Supports healthy digestion and aids nutrient absorption, as well as promotes immune system wellness.
- Each capsule provides 20 billion live bacteria at time of manufacture.
- Does not require refrigeration.
- IFANCA Halal certified.

30 vegetable capsules

Item #

70023012

Did You Know?

Probiotics are among the trillions of live microbial organisms that are naturally present in your body. Also known as “friendly” or “good” bacteria, they are a key component of the body’s health system. In a healthy gut, only a small percentage of the bacteria present are harmful. The ‘good’ bacteria or probiotics help maintain intestinal wellness by promoting digestive function and nutrient absorption, as well as supporting healthy bowel function.

Tea4Life®

PRIMARY SUPPORT: Cleansing & Detox, Digestive Health

Natural cleansing tea for intestinal maintenance and regularity.

- Each tea bag contains a blend of herbs including cinnamon, echinacea, astragalus, buckthorn, rooibos, bitter orange, and ginger, traditionally used to support regular bowel movement and healthy digestive function.
- Delicious soothing apple-cinnamon flavor with no artificial colors, flavors, or sweeteners.
- Recommended to be taken with a balanced diet and regular exercise.
- IFANCA Halal certified.

30 tea bags

Item #

70013004

Did You Know?

Buckthorn bark is recognized traditionally in its native Europe, Western, and Northern Asia, for its digestive tonic properties. Likewise, **astragalus** which contains antioxidants has been used in Traditional Chinese Medicine (TCM) for thousands of years, often combined with other herbs to help strengthen the body systems.

LivRite®

PRIMARY SUPPORT: Liver Health, Cleansing & Detox, Digestive Health

Specially formulated with a proprietary blend of herbs and antioxidants to help support a healthy body by supplying vital nutrients to the liver.

- Contains liver-supporting nutrients such as milk thistle, red clover, dandelion, and artichoke to provide nutritional support and promote overall healthy liver function.
- Includes broccoli which is rich in Indole-3-Carbinol for antioxidant support.
- IFANCA Halal certified.

60 vegetable capsules

Item #

70023015

Did You Know?

As one of the body's most essential organs, the liver helps remove toxins from the blood along with other vital functions, including the production of enzymes and bile that aid in the digestion of food and energy storage to fuel muscles. A healthy diet and nutritional supplementation can help to support healthy liver function and digestive system.

Aloe Vera Stix (Tropical Fruit)

PRIMARY SUPPORT: Cleansing & Detox, Digestive Health

SECONDARY SUPPORT: Immune System, Overall Wellness

Aloe vera in powder packets for digestive health support.

- Contains 150mg of aloe vera inner leaf extract per packet to nourish the body.
- Contains 30mg of vitamin C per packet to support a healthy immune system.
- Naturally rich in bioactive compounds such as vitamins, minerals, antioxidants, and amino acids that are beneficial to health.
- Low-calorie drink with only 13 kcal per serving.
- Comes in 15 portable, single-serving powder packets per box.
- Refreshing tropical fruit flavor (pineapple-peach & pear).
- IFANCA Halal certified.

15 x 3.4g powder packets

Item #

70023031

15 x 3.4g powder packets x 2 boxes

Item #

70055880

Evolve your
immune system, and
evolve your *life*.

4LifeTransform®

Live a Vibrant Life

4LifeTransform product supports you on every step of your body transformation journey, whether your goal is to build muscle, manage your weight, or maintain vitality.

4Life Transfer Factor® Pro-TF® (Vanilla Cream)

PRIMARY SUPPORT: Weight Management, Muscle & Sports Performance, Immune System

SECONDARY SUPPORT: Heart Health, Muscle, Bone, & Joint Health

A protein supplement to help you transform your body and live a more fulfilling and vibrant life.

- Provides 10g of patent-pending 4LifeTransform Protein Formula per scoop and is one of the most advanced proteins available to help you optimize performance and promote health.
- Contains an essential protein source from whey and egg protein.
- 2 scoops contain 600mg of 4Life Transfer Factor made from cow colostrum and egg yolk.
- Offers an independent and university-tested formula to help support caloric burning, muscle growth, promote body metabolism, and hunger suppression.
- Gluten-free and only 70 calories per scoop.
- IFANCA Halal certified.

46-serving per canister

Item #

70027568

Did You Know?

Pro-TF contains small, low molecular weight, and extensively hydrolyzed (high-DH) whey and egg protein to improve absorption and utilization.

Energy Go Stix™ (Berry)

PRIMARY SUPPORT: Energy

SECONDARY SUPPORT: Immune System

A delicious berry drink infused with 4Life Transfer Factor and energy-boosting ingredients to power through your day.

- Contains a synergistic blend of green tea extract, Korean ginseng, L-carnitine, maca, guarana extract, and taurine.
- Supports your daily energy needs and general wellness.
- Helps to relieve general weakness and fatigue.
- Comes in single-serving powder packets that are easy to mix.
- Low-calorie drink with only 19 kcal per serving.
- Sugar-free drink that won't leave you with the crash-and-burn after-effect, like other sugary drinks.
- IFANCA Halal certified.

30 x 5g powder packets

Item #

70027563

enummi® Personal Care

The Beauty of Science

enummi Products include natural botanicals, antioxidant support, and other ingredients to optimize your appearance.

enummi® Body Lotion

4Life's original body lotion for dry skin

- Contains 4Life Transfer Factor and white tea to pamper your skin regardless of the surrounding elements.
- Provides a wide range of vitamins, minerals and amino acids to nourish your skin.
- Promotes soft, smooth skin with aloe vera and shea butter.
- IFANCA Halal certified.

250ml per tube

Item #

70025003
