Essentials Packs

Immune system health at the top of your mind? We get it. With so many health threats and daily stressors, it's important to care for your immune system. But what products should you take? How frequently? What company can you trust with your health goals? You have a right to ask all these questions.

With a growing list of patents, peer-reviewed studies, and award-winning products to its name, 4Life (The Immune System Company®) makes it easy to benefit from decades of immune system research and expertise. We have everything you'd expect from The Immune System Company—products to **promote and support** your immune system and products to address your **targeted health needs**. We also have something no other company can offer: 4Life Transfer Factor®!

Take greater control of your immune system health and feel confident knowing you've put your trust in THE Immune System Company! Get started with 4Life's best products.

Why 4Life *Essentials* Packs?

What's so special about our product packs? Simple. First and most importantly, 4Life's team of experts designed the packs with products to give you a strong foundation of immune system health coverage, saving you a lot of time. We've already done the research for you! Second, you'll save money. Essentials Packs come with an automatic cost savings versus if you were to buy the same products individually.*

The best way to get started with 4Life is by [signing up as a Preferred Customer](#) with one of our expertly curated Essentials Packs.

in our Essentials Packs!

4Life Transfer Factor Plus Tri-Factor Formula

4Life's no. 1 best-selling immune system product

Our product packs are headlined by 4Life Transfer Factor Plus Tri-Factor Formula: our most powerful immune system support product combining the patented and effective immune system education of 4Life Transfer Factors with the proven immune system support of ingredients like agaricus, cordyceps, maitake and shiitake mushrooms, aloe vera, and zinc.

Key features:

- Protected by U.S. Patents 10,471,100 and 11,197,894
- Featured in a peer-reviewed publication: Beneficial impact of various compositions of transfer factors on the immune system
- Manufactured in an NSF-certified facility following Good Manufacturing Practices
- Halal-certified

Personal Essentials Pack: 1

Complete Essentials Pack: 2

Professional Essentials Pack: 4

RioVida

It is a liquid dietary supplement in the world that provides the immune system-boosting benefits of 4Life Tri-Factor Formula and antioxidant-rich superfruits

Like 4Life Transfer Factor Plus, RioVida provides the unmatched immune system support of 4Life Transfer Factor, plus beneficial superfruits like elderberry, pomegranate, blueberry, grape, and açai. RioVida is nutritious and packed with antioxidants to form a delicious defense against naturally occurring free radicals!*

Key features:

- Protected by U.S. Patents 9,956,258 B2 and 10,905,732 B2
- Contains a proprietary combination of antioxidant-rich natural fruit juices, including elderberry, pomegranate, blueberry, grape, and açai
- Halal-certified

What you get:

Personal Essentials Pack: 4

Complete Essentials Pack: 4

Professional Essentials Pack: 6

BioEFA

Healthy omega-3 and -6 essential fats from a variety of sources

Every cell in your body is surrounded by a membrane made of fatty acids from the foods you eat. Eat healthy fats, and your cells will be surrounded by healthy fats. Eat unhealthy fats and those cell membranes become sluggish and stiff. BioEFA is 4Life's superior source of healthy omega-3 and omega-6 fatty acids from flaxseed oil, safflower oil, borage seed oil, and fish oil (1,000 mg per serving!). This product provides the high-quality, essential fats that help every cell in your body.

Key features:

Contains ultra-pure omega-3 fatty acids, combining the highest-grade fish oils, which meet or exceed current standards for heavy metals, including mercury and PCBs

- Manufactured in an NSF-certified facility following Good Manufacturing Practices
- Halal-certified

What you get:

Personal Essentials Pack: 1

Complete Essentials Pack: 2

Professional Essentials Pack: 4

Probiotics

Five active probiotic strains

Probiotics contains a proprietary blend of five active probiotic strains to provide a wider range of intestinal support. About 70% of your immune system resides in your gut, therefore gut health impacts many different areas of overall wellness, including immune system health, weight, cognition, mood, and more. The intake of probiotics will help in promoting the growth of friendly intestinal flora to support our digestive health and general wellness.

Key features:

- Includes 5-strains of good bacteria
- Each capsule provides 20 billion active probiotics for healthy digestion and nutrient absorption
- Requires no refrigeration and is available in easy-to-carry blister pack which make it convenient to bring along anywhere
- Halal-certified

What you get:

Personal Essentials Pack: 1

Complete Essentials Pack: 2

Professional Essentials Pack: 4

4Life Transfer Factor Collagen

Type 1 hydrolyzed collagen to support healthy skin, hair and nail

4Life Transfer Factor Collagen contains 5000 mg fish-derived Type 1 hydrolyzed collagen to support healthy aging by restoring healthy collagen levels within the body. It features 4Life Tri-Factor Formula to help support body wellness. Collagen is a vital structural protein in the human body. Often referred to as the “glue” that holds your body together, collagen is present in connective tissue throughout your body, including the skin.

Key features:

- Contains 4Life Tri-Factor Formula to support healthy immune system
- Improves skin moisture, tone, and elasticity
- Slows the appearance of fine lines and wrinkles
- Stimulates collagen synthesis in the body
- Contains Vitamin C and E for antioxidant support to support the skin
- Halal-certified

What you get:

Personal Essentials Pack: 3

Complete Essentials Pack: 3

Professional Essentials Pack: 8

RioVida Stix

*Immune system and antioxidant benefits in single-serving powder packs**

RioVida Stix provides the immune system goodness of 4Life Transfer Factor RioVida Tri-Factor Formula in a portable powder pack. It combines a full serving of 4Life Transfer Factor Tri-Factor Formula with a rush of antioxidants and phytonutrients from açai, blueberry, elderberry, grape, and pomegranate, plus all-important electrolytes.

Key features:

- Protected by U.S. Patents 6,468,534 and 6,866,868
- Contains the highest amount of 4Life Transfer Factor (made from cow colostrum and egg yolk) - 600mg per serving
- Halal-certified

What you get:

Complete Essentials Pack: 2

Professional Essentials Pack: 4

4Life Transfer Factor Tri-Factor Formula

Made by the immune system for the immune system

4Life Transfer Factor Tri-Factor Formula contains ingredients made by the immune system for the immune system. It represents a revolutionary advancement in 4Life Transfer Factor Science and raises the bar on the standard of immune system support with 4Life Tri-Factor Formula (made from cow colostrum and egg yolk). The exclusive Tri-Factor Formula educates, enhances, and balances the body's immune system.

Key features:

- Protected by U.S. Patents 6,468,534 and 6,866,868
- Contains the highest amount of 4Life Transfer Factor (made from cow colostrum and egg yolk) - 600mg per serving
