

4Life Transfer Factor® SleepRite®

Supports quality, restorative sleep and the immune system*

- Helps you fall asleep more quickly and improves sleep quality*
- Supports nerve function, muscles, and metabolism*
- Promotes mind and body balance and relaxation*
- Supports the immune system with 4Life Transfer Factor® Blend*

What is 4Life Transfer Factor SleepRite?

4Life Transfer Factor SleepRite calms the mind and body and carries you into a satisfying sleep, and it also supports the immune system. SleepRite is a clinically studied sleep support supplement with potent ingredients that promote high-quality, restful, and restorative sleep. 4Life Transfer Factor SleepRite is the first and only sleep supplement in the world powered by 4Life Transfer Factor Blend for unrivaled immune system support during sleep: one of the most critical times for immune system cell education and balance. Rest easy knowing your body, mind, and immune system are in good hands with SleepRite. After one restful night with 4Life Transfer Factor SleepRite, you won't DREAM of supporting your sleep with anything else!*

- Supports metabolic function while you sleep*
- Is gluten-free and non-habit-forming
- Has been clinically studied
- Calms and relaxes the body and mind in preparation for sleep*

Primary Support:

Sleep, Relaxation*

Secondary Support:

Immune System*

Did You Know?

About one-third of U.S. adults aren't regularly getting the recommended amount of sleep¹. Good sleep is important because your immune system and sleep are closely connected. We are The Immune System Company, and we developed this formula with a keen understanding of how sleep is a key pathway to better overall wellness. Your immune system educates itself while you are resting, so sleep strengthens your immune system!*

DIRECTIONS: Take two (2) capsules daily thirty (30) minutes before going to bed.
