

enummi[®] TOOTHPASTE

*Fluoride-free formula
that freshens breath*

INTRODUCTION

Choosing toothpaste means more than picking your favourite flavor. To receive the most out of your toothpaste, make the choice for a formula that offers more than a simple scrub. enummi Toothpaste supports oral health with ingredients that promote clean teeth, for a whiter, brighter smile. This gentle, fluoride-free formula cleans teeth without harsh, abrasive agents and freshens your breath with a great-tasting, mint flavour.

KEY FEATURES

- Dissolves food film for a clean, bright smile
- Freshens breath with a refreshing mint flavour
- Offers a fluoride-free formula and xylitol to fight cavities

Ingredient : Sorbitol, Deionized water, Hydrated silica, Glycerine, Flavours, Calcium carbonate, Sodium lauroyl sarcosinate, Sodium bicarbonate, Xylitol, Carboxymethylcellulose, Stevia, Titanium dioxide, **Transfer Factor E-XF** (a patented concentrate of transfer factors and other natural components from cow colostrum and egg yolk), Sodium benzoate, Coenzyme Q-10, and Lactoferrin.

Directions : Apply a small amount of paste to a toothbrush and brush thoroughly two times a day (or more) or after each meal. Children ages two to six should be supervised to minimize swallowing.

Storage : Store in a cool, dry place

Pack Size : 113g per tube
