

4LIFE TRANSFER FACTOR VISTA®

For Vision Health

INTRODUCTION

4Life Transfer Factor Vista provides targeted support to benefit visual performance and eye health. It contains lutein and other eye health ingredients to support healthy visual acuity and the health and function of the macula of the eyes. It also features 4Life Tri-Factor Formula to support the immune system.

Your body's potential health threats!

KEY FEATURES

- Contains 4Life Tri-Factor Formula to promote healthy immune system
- Includes carotenoids such as lutein and zeaxanthin to provide shielding and antioxidant benefits for the macula region of the eyes
- Provides antioxidant support for the eyes with bilberry and black currant extracts
- Includes Vitamins A, C, and E to supply nutrients for the cells of the eyes and neutralize free radical activity
- Protected by U.S. patents: 6,468,534 (extraction process for transfer factors from egg sources) and 6,866,868 (combination process of transfer factors from cow colostrum and chicken egg yolks)

HEALTH BENEFITS

- Supports visual acuity and sharpness
- Includes ingredients to help shield the macula of the eyes from excessive blue light and oxidative effects of the sun
- Promotes healthy eye function
- Supports the eyes' ability to adapt to varying light conditions

PRIMARY SUPPORT

- Eye Health

SECONDARY SUPPORT

- Immune System
- Antioxidant
