

4Life® Transfer Factor Plus® Tri-Factor® Formula

Top immune support product*

- Educates, enhances, and balances immunity with the exclusive Tri-Factor Formula*
- Has zinc to help with the production and function of key immune health cells*
- Contains certified 4Life Transfer Factor® to Raise Your Immune I.Q.®*

What Is 4Life Transfer Factor Plus Tri-Factor Formula?

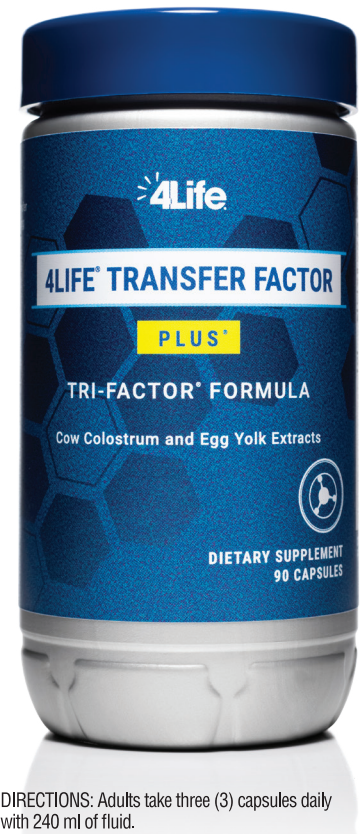

Representing advanced discoveries in 4Life Transfer Factor Science, this product combines the power of Tri-Factor Formula with a proprietary super-mushroom blend to support healthy immune function and provide a host of other phytonutrient benefits. The messenger molecules found in 4Life Transfer Factor Plus Tri-Factor Formula help educate immune cells and support the immunity's ability to more effectively recognize, respond to, and remember potential health threats. This complete formula promotes immune health function to help maintain optimal health, energy, and everyday quality of life.*

Key Features

- Supports healthy immune function that, in turn, promotes healthy energy levels and the healthy function of all other systems throughout the body*
- Contains 4Life Transfer Factor to educate immune health cells and promote the immune health's ability to more effectively recognize, respond to, and remember potential health threats*
- Includes a super-mushroom blend with proprietary ingredients, such as maitake mushrooms, shiitake mushrooms, cordyceps, IP-6 (inositol hexaphosphate), and olive leaf extract to further nourish healthy, innate immune function*
- Contains zinc, a trace element, which is important for the production and function of key immune support cells*

Primary Support:

Immune support*
Overall wellness*

DIRECTIONS: Adults take three (3) capsules daily with 240 ml of fluid.
