# 3 AMAZING ACTIVE LIVING PRODUCTS

Summertime is here, so grab your swim goggles, hiking shoes, frisbee, or soccer ball, because this is the time of year to get active! No matter what you're doing, you're going to love these products.

The July Product Special can help you make the most of each sunny summer day by making sure your body is up to the challenge.\*

## JULY PRODUCT SPECIAL

No exercise enthusiast should pass up on the July Product Special!\*

### Fuel your summer activities.\*

Get 1 PreZoom, 1 Flex4Life, and 1 MusculoSkeletal Formula.

**Your Price: \$80**

**Retail: \$127   Wholesale: \$98**

LP: 50 | Item #55355

Affiliates and Preferred Customers save \$18 off the regular wholesale price and \$47 off the retail price.

## PreZoom – Get going

PreZoom can help you get off the couch and start moving. PreZoom supports energy, lean muscle mass, focus, and endurance. When you take PreZoom, you are supporting your physical and mental strength, no matter what adventure is ahead.\*

The green tea leaf in PreZoom provides 160 mg of natural caffeine per serving, and you won't experience the same intense negative side effects you might experience with other products such as jittering, tingling, or skin flushing.\*

## Flex4Life – Keep moving

Flex4Life capsules support healthy joint tissue, flexibility, and mobility so you can keep moving during a tough hike or a long soccer game. There's nothing worse than leaving one of your favorite summer activities early because your body doesn't feel up to the challenge.\*

Flex4Life contains powerful ingredients like *Terminalia chebula*, hyaluronic acid, and turmeric, all to support your mobility and flexibility.\*

## MusculoSkeletal Formula – Stay strong

Give your body the tools it needs to stay strong and agile with MusculoSkeletal Formula. This product supports healthy connective tissue, bones, joints, and muscles with devil's claw, turmeric, and gotu kola.\*

MusculoSkeletal Formula also supports aging muscles, joints, and bones by reducing bone breakdown, lowering oxidative stress, improving blood flow, and increasing antioxidant capacity.\*
