THE IMMUNE SYSTEM *Company*[®]

3 New Convention Products!

Last month at 4Life Global Connexion, we launched three new, powerful products. We launched a new immune system product (of course!), a sleep health product, and a general nutrition shake mix. You won't find products like these anywhere else, and we're positive you'll love them.*

Connexion

The power of together

4Life

4Life Transfer Factor Immune Boost

4Life Transfer Factor Immune Boost is a powerful immune system booster for times when you need it most. Plus, it contains more 4Life Transfer Factor® than any other 4Life product (1,000 mg). This delicious, light effervescent powder is convenient AND effective. We know you'll love it!*

Simply mix, let fizz, drink, and experience a boost in overall wellness!*

- Contains 1,000 mg of **4Life Transfer Factor® Blend**, which is clinically proven to activate the immune system within two hours!*
- Provides 1,000 mg of vitamin C (more than ten oranges) to support the immune system and antioxidant levels*
- Features zinc, vitamin K2, magnesium, and high-potency vitamin D
- Supports overall wellness and general health*

1. Clinical study on the rapid immune modulating effects of 600 mg of 4Life Transfer Factor Blend compared to placebo. G. Jensen, NIS Labs Report 058-006.

4Life Transfer Factor SleepRite

Your sleep and immune system health are closely connected. Your immune system is hard at work when you sleep, cataloging and remembering previous threats you've encountered. Plus, when you sleep better, you feel better, which means you can sleep better, which means you feel better . . . you get the idea.

4Life Transfer Factor SleepRite supports your immune system AND sleep health. You can rest easy knowing your body, mind, and immune system are in good hands with SleepRite.*

- Helps you fall asleep more quickly and improves sleep quality*
- Supports nerve function, muscle function, and metabolism*
- Promotes mind and body balance and relaxation*
- Supports the immune system with 4Life Transfer Factor Blend*
