IMMUNE SYSTEM 101

SEPTEMBER  
PRODUCT SPECIAL

# Immune System 101

Your immune system affects your well-being and protects you from potential threats. If your immune system is happy and healthy, you will be, too!

This month, educate your immune system and enroll it in an honors course with three of our top immune system products. Keep reading to learn more about your immune system and how to support it.\*

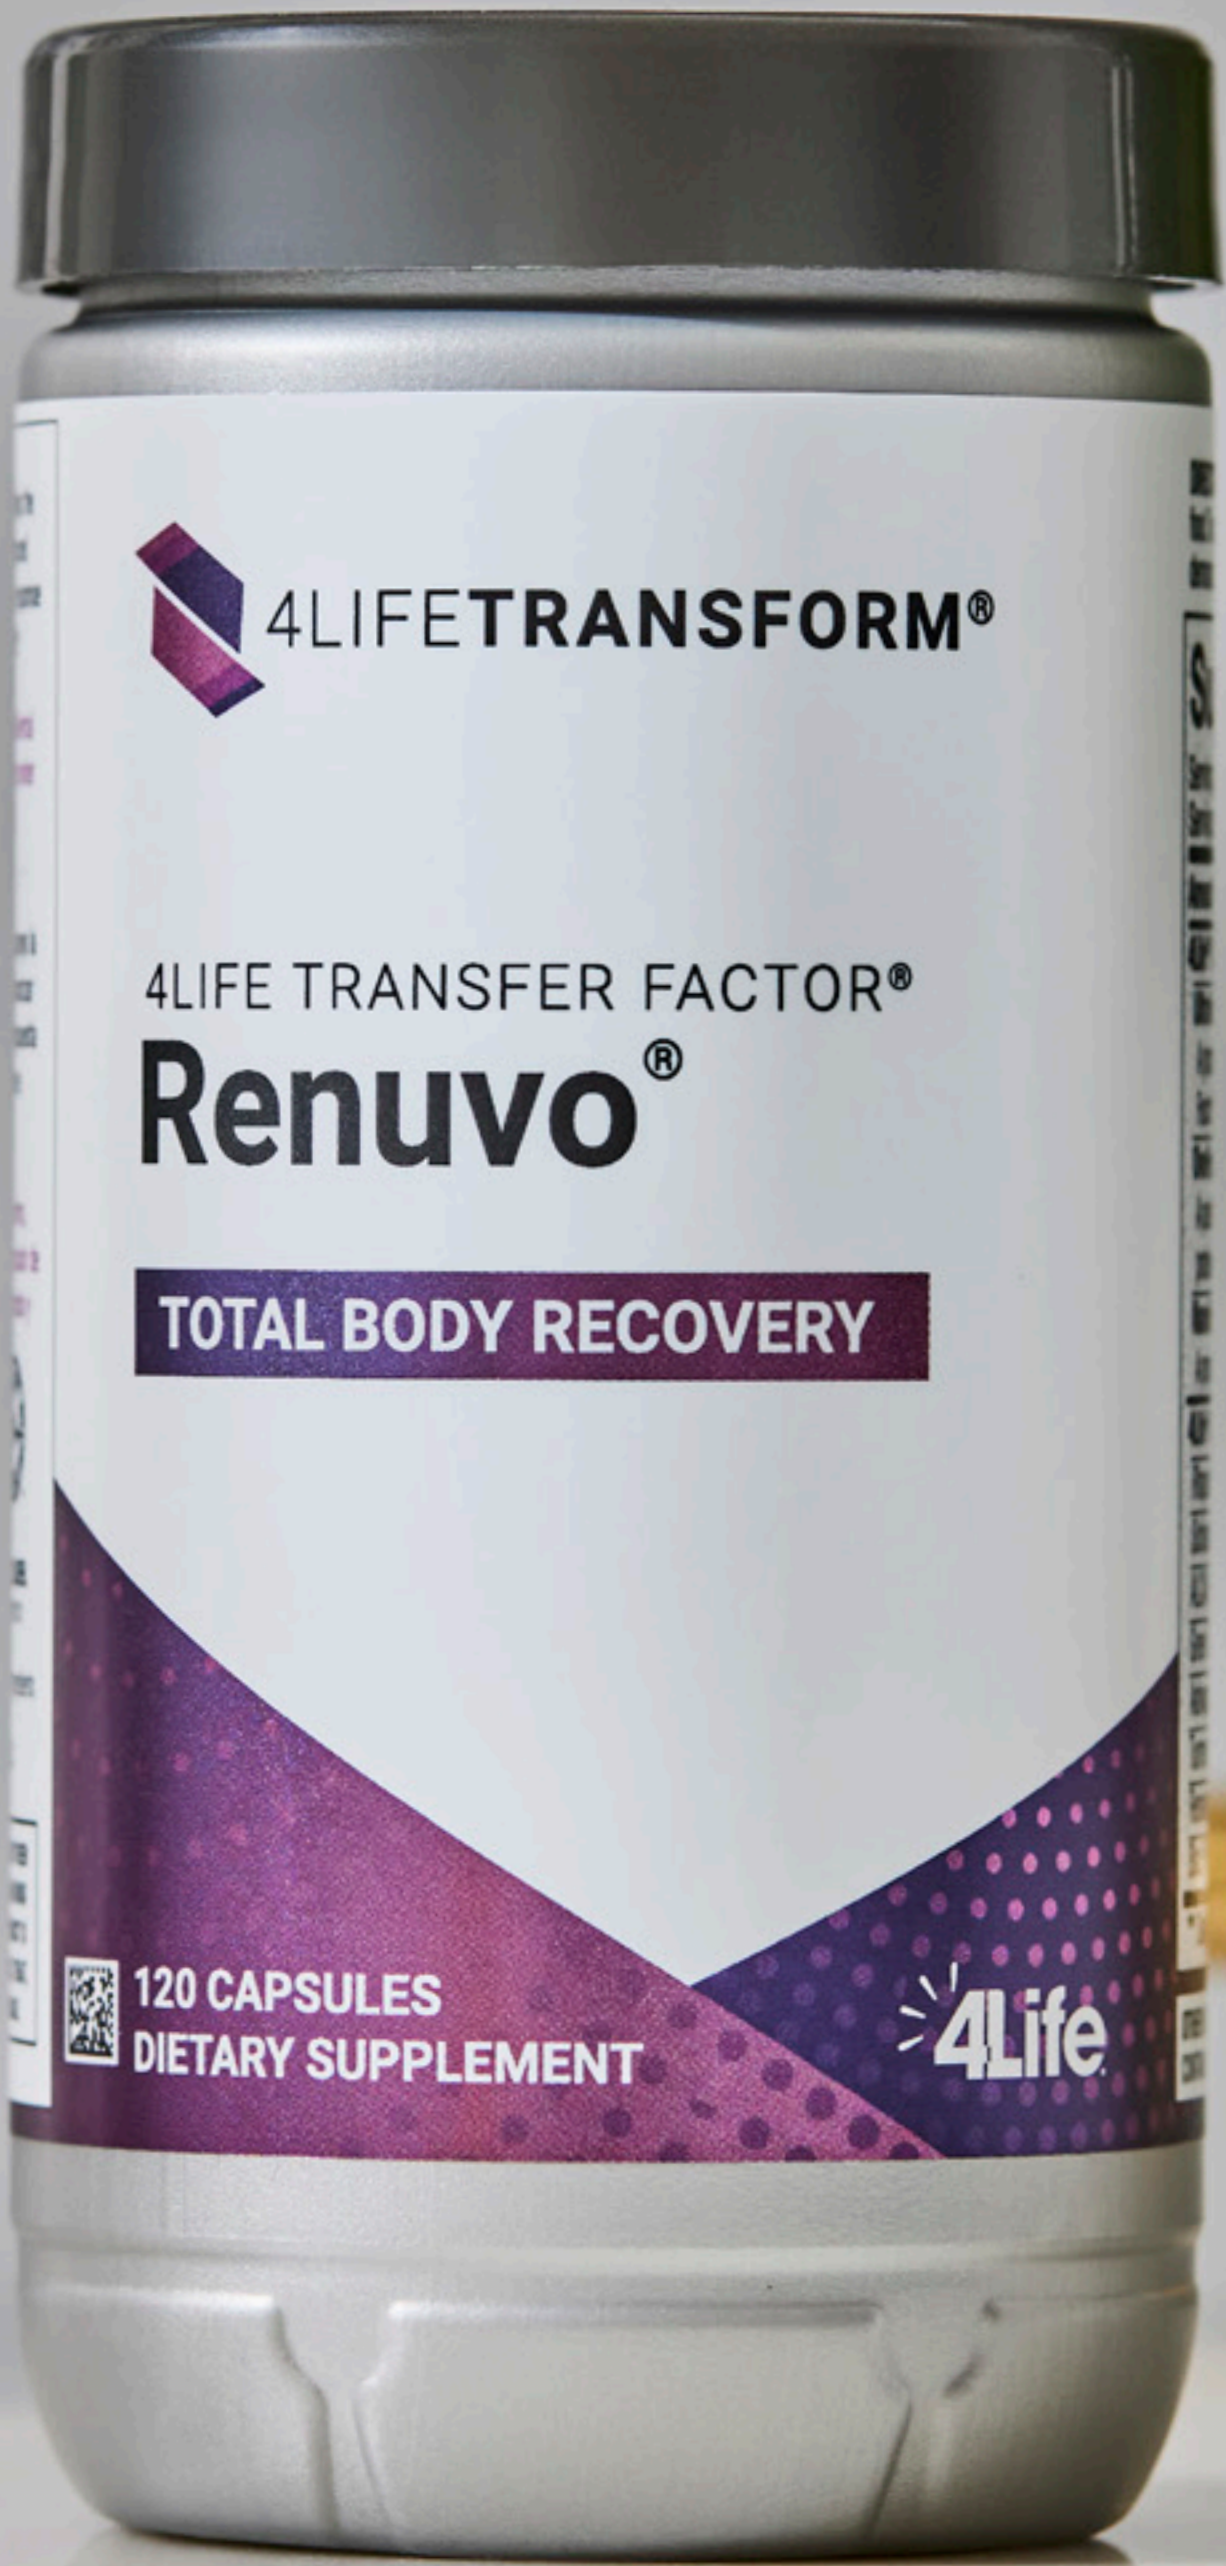

# 4Life Transfer Factor® Renuvo® Immune Support\*

Renuvo supports your immune system by supporting a healthy response to daily stressors. Plus, Renuvo helps reduce cortisol levels, which are a marker of occasional stress. Renuvo also supports total-body muscle recovery, healthy mental focus, and healthy cellular aging.\*

Renuvo is packed with adaptogenic herbs, which increase your ability to resist the damaging effects of stress and help promote or restore normal muscle functioning.\*

Not only does Renuvo support the immune system with 4Life Transfer Factor®, but it supports healthy cellular aging, energy levels, and more! Your immune system will thank you for taking Renuvo!\*

# 4Life NanoFactor® Glutamine Prime® Fuel Your Immune Cells\*

Let's start with a couple definitions:

**NanoFactor®:** Our proprietary concentrate of nano-filtered cow colostrum\*

**Glutamine:** An amino acid that helps fuel your immune system\*

Combine these ingredients, and you have a feast for your immune system! Glutamine is the best amino acid for strengthening your gut lining and energizing the immune cells in your gut, which is home to approximately 70% of your immune system. Your immune system works hard all day, every day to keep your body safe and happy. Give it some love with Glutamine Prime.\*

# Immune Spray Orange Transfer Factor in a Throat Spray!\*

This is, by far, one of our most convenient immune system products. It's small, portable, and it really works!\*

4Life Transfer Factor Immune Spray Orange supports your immune system with UltraFactor® and NanoFactor from cow colostrum, colloidal silver, and zinc. This product also has lactoferrin, which is a protein found in many foods, including milk. Lactoferrin supports your immune system and helps create white blood cells.\*

This spray is gentle on the mouth and throat, since it contains marshmallow root extract and aloe vera. Plus, it has a refreshing orange taste.

“Orange” you glad we included this one?
