

4Life Transfer Factor AgePro™

Reprogram the way you age!*

- Increases lifespan and improves healthspan**
- Supports healthy cellular aging*
- Improves physical endurance and performance*
- Provides potent antioxidant support*
- Increases NAD+ levels (a life-essential enzyme) in the blood that decline as you age*
- Supports a more youthful immune system response*

What Is 4Life Transfer Factor AgePro?

Did you know your age may not be determined by the number of candles on your birthday cake? According to recent scientific research, your immune age may be a better indicator of your true age. Improve your immune age with 4Life Transfer Factor AgePro: a healthy aging solution shown in independent laboratory studies to extend lifespan by targeting the main pathways of cellular aging. This product educates and rejuvenates immune cells, clears out malfunctioning cells, and boosts NAD+ levels, which is a life-essential enzyme that declines as you age. Live healthier for longer with AgePro!

Key Features and Benefits

- Boosts indicators of NAD+ within one hour with NMN*
- Protects against cellular damage and clears out old or malfunctioning cells with quercetin and apigenin*
- Rejuvenates aging immune cells for a more youthful immune system response with 4Life Transfer Factor®*
- Helps the body break down and reuse old cell parts, leading to better-functioning cells, with quercetin and apigenin*
- Supports cellular energy and helps modulate the aging process with alpha-ketoglutarate (AKG)**
- Helps the immune system more youthfully recognize, respond to, and remember potential health threats*
- Features vegetable capsules
- Is a professional-grade product

Did You Know?

In recent laboratory studies, 4Life Transfer Factor was shown to activate Natural Killer cells for a more youthful immune response to health threats.*

Primary Support:

Healthy Aging*
Immune System*

Secondary Support:

Cellular Energy*
Physical Performance*
