- For ages four and up

What Is 4Life Transfer Factor Chewable Tri-Factor Formula?

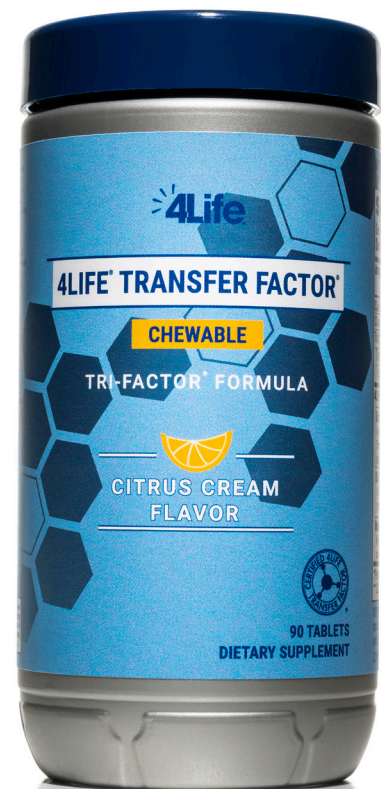

Raise Your Immune I.Q. with 4Life Transfer Factor Chewable Tri-Factor Formula! Recent independent laboratory studies show that core 4Life Transfer Factor products bolster Natural Killer (NK) cell activity in the presence of a health threat, while activating a variety of other immune system cells, such as B cells and T cells.† This formula provides the immune system support of 4Life Transfer Factor Tri-Factor Formula—a combination of UltraFactor™, OvoFactor®, and NanoFactor® extracts—in a delicious citrus cream chewable tablet. The product contains ingredients made by the immune system for the immune system and with 4Life Transfer Factor, it is clinically proven to activate the immune system within two hours!*

Key Features

- Promotes healthy immune system cell function that, in turn, promotes healthy energy levels and the healthy function of all other systems throughout the body*
- Contains 4Life Transfer Factor to educate immune system cells and promote the immune system's ability to more effectively recognize, respond to, and remember potential health threats*
- Provides another way to receive your daily serving of 4Life Transfer Factor Tri-Factor Formula
- Is protected by U.S. patents: 6,468,534 (extraction process for transfer factors from egg sources) and 6,866,868 (combination process of transfer factors from cow colostrum and chicken egg yolks)

Primary Support:

Immune system*
Overall wellness*
