FAQs: Double Builder Bonus Promotion

Q: What is the Double Builder Bonus?

A: Earn the Builder Bonus for the **1st** time during the promotion period and we'll double your money. The promotion period is only available from January – 28th February 2022.

Q: What will my earnings be with the Double Builder Bonus?

A: Level 1: \$160 NZD
Level 2: \$640 NZD
Level 3: \$2,560 NZD

Q: How many times am I eligible to win the Double Builder Bonus incentive?

A: As many times as you are able to qualify for the first time at a new level (based on what was your highest level was till December 2021). If you have never participated in this incentive and you achieve level 1 for the first time, you will receive \$160 NZD and, if you manage to reach level 2 before the end of the Double Builder Bonus, you will receive \$640 NZD.

Q: If I maintain my new Level throughout the two months of the promotion, will I get the extra Bonus twice?

A: No, you will only receive the extra payment the first time you qualify at a **NEW** level.

Example: In January, an Affiliate first qualifies for Level 1 and receives \$160 NZD. In February, he/she qualifies again at the same level, so he/she will receive \$80 NZD (standard payment). But if in February, the same Affiliate qualifies at Level 2 for the first time he/she will receive \$640.

Q: What if an Affiliate qualifies for a level of the Builder Bonus during the promotion period for which they have previously qualified?

A: They would NOT be eligible for the Double Builder Bonus (because they have previously qualified at that level), but they would still be eligible for the Standard Builder Bonus.

Q: Can any Affiliate qualify for the Double Builder Bonus?

A: No, only Affiliates who are Builders, Builder Elite, Diamonds, Diamond Elites or Presidentials can qualify for Double Builder Bonus.**
