

# äKwä® DAYSTAR SHADE™ SPF 40 MOISTURIZING SUNSCREEN

SHIELD. SHADE. REPEL.

Here comes the sun! The sun brings us life and light, but when it comes to skin, too much of a good thing can be damaging. Be kind to your skin and use DayStar Shade SPF 40 Moisturizing Sunscreen to protect against sun damage and moisturize.

- Protects and replenishes your skin with broad-spectrum SPF 40 Sunscreen and nutrient-rich ingredients
- Decreases the risk of skin damage and early skin aging caused by the sun if used as directed with other sun protection measures
- Brightens and shields skin against sun damage
- Supports against modern urban stressors
- Maintains skin's moisture levels
- Works great underneath makeup
- Glides effortlessly across skin while working hard to protect it
- Supports the look of skin's firmness and elasticity
- Does not contain oxybenzone or octinoxate, which are ingredients known to harm our ocean reefs

As the last step of your morning skincare regimen, apply desired amount to your fingertips and evenly distribute across your face, neck, chest, and the tops of your hands to achieve uniform coverage. Follow with makeup as desired and re-apply throughout the day as needed.
