

# enummi<sup>®</sup> Deodorant

## Cruelty-free

(never tested on animals)

## Free of

talc, phthalate, aluminum,  
and parabens—no  
controversial ingredients!

## Gently, safely, and effectively

reduces underarm odor

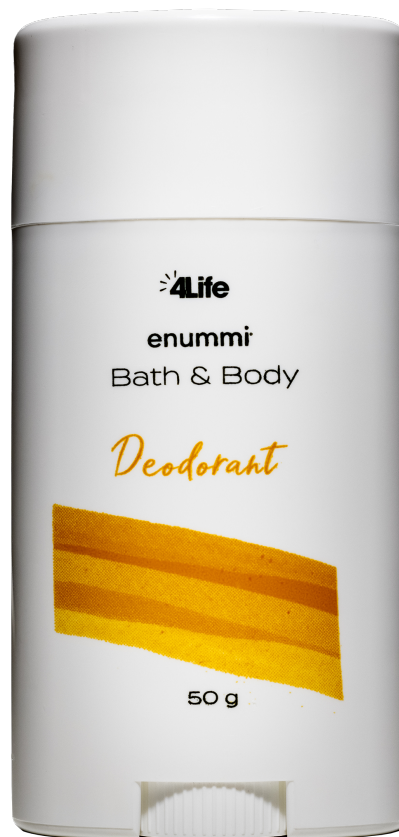

## Dermatologist- tested

for safety and mildness

## Features a gender-neutral

purifying scent that is great for  
men and women who want to feel  
and smell fresh all day

## Contains

4Life Transfer Factor™

Antiperspirants that block sweat altogether contain potentially harmful ingredients that hinder the body's natural ability to regulate body temperature and more healthful benefits of sweating. Deodorant controls odor and helps you feel drier without blocking your perspiration.

*Only from 4Life!*
