

Energy Go Stix® Kiwi Strawberry

Delicious energy support in convenient, ready-to-mix powder packets*

- Improves energy and stamina *
- Supports memory, alertness, and mood*
- Supports healthy immune system function*

What Is Energy Go Stix?

Energy Go Stix Kiwi Strawberry gives you a boost of energy and stamina to help you push through your busy day. In convenient, single-serve packets, Energy Go Stix is perfect to share and take with you wherever you go.*

Energy Go Stix improves memory and alertness and supports healthy immune system function. This formula is rich in energy sources like green tea extract and amino acids that help you avoid the spike and crash that happen with other energy products. It also contains 4Life Transfer Factor® to support your immune system.*

Key Features

- Contains transfer factors to help educate immune cells and promote the immune system's ability to more effectively recognize, respond to, and remember potential health threats*
- Blends energy boosters like Caffeine IP, Green Tea Extract Powder *
- Supports memory functions with the Amino Acid Blend L-Ornithine Hydrochloride, L-Arginine, Citrulline-Malate, Taurine
- Support vitality & immunity with Shwet Musali (Chlorophytum tuberosum), Kaunch Beej (Mucuna Pruriens)
- Includes Essential B-Vitamins (B1, B2, B3, B5, B12) to supports mental alertness and physical stamina*
- Is protected by U.S. patents: 6,468,534 (extraction process for transfer factors from egg sources) and 6,866,868 (combination process of transfer factors from cow colostrum and chicken egg yolks)

Primary Support:

Energy*

Secondary Support:

Memory*
Alertness & mood
