

# enummi® Deodorant

Smell fresh and clean all day natural ingredients

- Gently and effectively reduces underarm odor
- Helps you feel drier
- Features the all-natural and purifying aroma of 4Life® Essential Oils TForce® Blend
- Does not contain harmful ingredients, such as parabens, aluminum, or talc

## What is enummi® Deodorant?

enummi® Deodorant is a paraben-free, talc-free, and aluminum-free formula featuring the fresh, purifying, and all-natural aroma of 4Life TForce Essential Oil Blend. This multitasking formula gently (and effectively) reduces underarm odor while helping you feel dry. It applies effortlessly to create a light veil of protection so you can feel more confident—both in its safe ingredients and its performance. enummi Deodorant has a gender-neutral scent that is great for men and women who want to feel and smell fresh all day!

## Key Features

- Light and airy formula in an easy twist up stick that provides effective protection against odor with efficient swipe-up, swipe-down application
- Talc, phthalate, and aluminum-free
- Paraben-free
- Cruelty-free—never tested on animals
- Dermatologist-tested for safety and mildness
- Features arrowroot powder instead of talc to help you feel drier

## Did You Know?

Some sweat is healthy. Sweating helps eliminate chemicals and cleanse your body of bacteria. Antiperspirants that block sweat altogether contain potentially harmful ingredients that can hinder the body's natural ability to detox. enummi Deodorant doesn't block perspiration, and it helps you feel drier and smell fresher with a high-performance formula that doesn't contain controversial ingredients.

## Key Ingredients:

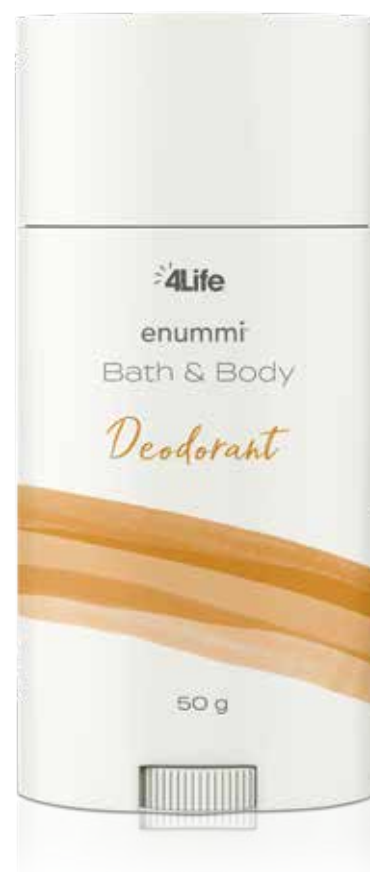

**Maranta arundinacea root extract (arrowroot powder)** – Is a fine plant-based powder that acts as a thickening agent in cosmetics and food and is commonly used in place of talc. May help you feel drier.

**Butyrospermum parkii (shea) butter** – Is a naturally derived ingredient that can condition delicate skin of the underarm area with its sumptuous coverage. Also provides firmness and stability to the stick format formulation.

**4Life TForce Essential Oil Blend** (sweet orange (*Citrus sinensis*) peel oil, thyme (*Thymus vulgaris*) leaf oil, clove (*Eugenia caryophyllata*) leaf oil, clary sage (*Salvia sclarea*) leaf and flower oil, patchouli (*Pogostemon cablin*) leaf oil, cinnamon (*Cinnamomum zeylanicum*) bark oil) – Provides a purifying and fresh aromatic experience.

**4Life Transfer Factor™** – Adds smoothness and elegance to the formula.

**Coconut and jojoba seed oils** – Beautifies and gently conditions delicate underarm skin while providing a wonderful base for the formula's aromatic components.

## Directions:

Apply to underarms as needed to control underarm odor.

**OTHER INGREDIENTS:** Caprylic/capric triglyceride, *Maranta arundinacea* root extract, stearyl alcohol, *Cocos nucifera* (coconut) oil, *Butyrospermum parkii* (shea butter) fruit, polyglyceryl-3 beeswax, hydrogenated castor oil, 4Life TForce Essential Oil Blend [*Citrus sinensis* (sweet orange) peel oil, *Thymus vulgaris* (thyme) leaf oil, *Eugenia caryophyllata* (clove) leaf oil, *Salvia sclarea* (clary sage) leaf and flower oil, *Pogostemon cablin* (patchouli) leaf oil, *Cinnamomum zeylanicum* (cinnamon) bark oil, 4Life Tri-Factor™ Formula], and *Simmondsia chinensis* (jojoba) seed oil.
