4Life

Essential Fatty Acid Complex

*Healthy omega-3 and -6 essential fats from a variety of sources**

Every cell in your body is surrounded by a membrane made of fatty acids from the foods you eat. Eat healthy fats, and your cells will be surrounded by healthy fats. Eat unhealthy fats, and those cell membranes become sluggish and stiff. Essential Fatty Acid Complex is 4Life's superior source of healthy omega-3 and omega-6 fatty acids from flaxseed oil, safflower oil, borage seed oil, and fish oil (1,000 mg per serving!). This product provides the high-quality, essential fats that help every cell in your body function at peak performance.*

Research:

- Contains ultra-pure omega-3 fatty acids and combines the highest-grade fish oils that meet or exceed current standards for heavy metals, including mercury and PCBs
- Manufactured in an NSF-certified facility following Good Manufacturing Practices
- Contains more resolvins and protectins (shown in preclinical studies to support the immune system) than other leading brands*
