

4Life Transfer Factor® Immune Boost

Powerful immune system booster for times of increased physical stress*

- Contains more 4Life Transfer Factor® than any other 4Life product
- Supports immune system function with zinc, vitamin C, and 4Life Transfer Factor*
- Contains 4Life Transfer Factor which is clinically proven to activate the immune system within two hours*¹
- Provides antioxidant support*

What is Immune Boost?

4Life Transfer Factor Immune Boost is formulated to power up your immune system cells. This orange-flavored, light effervescent formula is pleasant to consume, and it offers the highest dose of 4Life Transfer Factor in any 4Life product (1,000 mg). Immune Boost contains 4Life Transfer Factor, which is clinically proven to activate your immune system within two hours.¹ Take this product when you need a powerful immune system boost, especially in times of mental and physical stress. Immune Boost also contains vitamin C, zinc, and high-potency vitamin D to provide wide-spectrum immune system defense and antioxidant support, replenish lost electrolytes to support hydration, and promote healthy cellular aging.

Key Features

- Contains 1,000 mg of 4Life Transfer Factor (more than any other 4Life product) for powerful immune system support*
- Provides 1,000 mg of vitamin C (equal to more than 10 oranges) to support the immune system and antioxidant levels*
- Contains zinc and high-potency vitamin D for immune system support*
- Features a delicious orange flavor in a light effervescent powder with all natural sweeteners and flavors
- Offers wide-spectrum immune system defense on the go or when you need it most*
- Supports overall wellness and general health*

Primary Support:
Immune System*

Secondary Support:
Antioxidant*
