

4Life Transfer Factor® KBU®

Proprietary formula to support the kidneys, bladder, and urinary tract*

- Provides focused support for the urinary tract*
- Supports healthy kidney function*
- Maintains healthy bladder tone*

What Is 4Life Transfer Factor KBU?

4Life Transfer Factor KBU is formulated to support the entire urinary system for both men and women. Ingredients like cranberry, blueberry, dandelion leaf, and juniper berry provide support for healthy bladder function. The product also promotes the healthy filtration process of the kidneys, helps maintain healthy fluid balance, and provides valuable immune system education with 4Life Tri-Factor® Formula.*

Key Features

- Features targeted ingredients to support the entire urinary system, including cranberry, blueberry, dandelion leaf, and juniper berry*
- Includes the revolutionary power of 4Life Tri-Factor Formula to educate immune system cells*
- Is protected by U.S. patents: 6,468,534 (extraction process for transfer factors from chicken egg yolks) and 6,866,868 (combination process of transfer factors from cow colostrum and chicken egg yolks)
