## 4Life Transfer Factor Plus Tri-Factor Formula

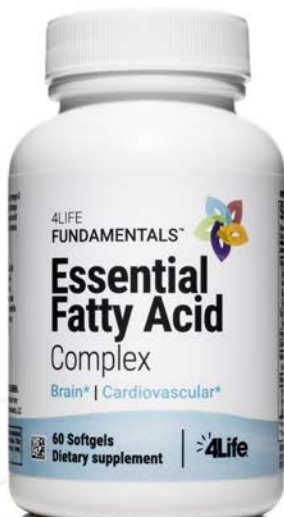

*4Life's best-selling immune health product\**

Our Immune Pack is headlined by 4Life Transfer Factor Plus Tri-Factor Formula: our most powerful immune health support product combining the patented and effective immune function education of 4Life Transfer Factor with the proven immune function support of ingredients like agaricus, cordyceps, maitake and shiitake mushrooms, aloe vera, and zinc.\*

## 4Life Transfer Factor Collagen

*Total body age-defying formula\**

Your skin is your immune health's first line of defence, and 4Life Transfer Factor Collagen is the only collagen product on the market featuring 4Life Transfer Factor to enhance and educate your immune function. In addition, 4Life Transfer Factor Collagen is a total-body, age-defying powder supplement that contains vitamins A, C, and E; biotin; and five types of collagen to help support healthy joints, muscles, hair, and skin. It also includes an Age-Defying Plant Complex to improve skin moisture, tone, and elasticity while reducing the appearance of fine lines and wrinkles. You get all this in a delicious strawberry-mango flavoured collagen drink!\*

## Essential Fatty Acid Complex

*Omega-3 and omega-6 oils with CLA to support multiple body systems\**

Essential Fatty Acid Complex is 4Life's superior source of essential omega-3 and omega-6 fatty acids. This product is made from flaxseed oil, safflower oil, borage seed oil, and fish oil. This well-rounded blend of essential fatty acids (EFAs) contains 1,000 mg of fish oil per serving!\*

# Personal *Energy* Pack

We have put together a few of our top selling products to give your immune health a burst of energy, antioxidants and not forgetting our signature proprietary combination of 4Life Transfer Factor® (immune messenger molecules) from cow colostrum, OvoFactor® from chicken egg yolks, and NanoFactor® mini molecules.

## 4Life Transfer Factor Tri-Factor Formula

*Give superior immune support a “tri!”\**

This advanced formula helps your immune function recognise, respond to, and remember potential health threats while offering more broad-based immune health support through a proprietary combination of UltraFactor® and NanoFactor® from cow colostrum and OvoFactor® from chicken egg yolks.\*

## 4Life Transfer Factor RioVida Tri-Factor Formula

*Total body age-defying formula\**

Like 4Life Transfer Factor Plus, RioVida provides the unmatched immune health support of 4Life Transfer Factor, plus beneficial superfruits like elderberry, pomegranate, blueberry, grape, and açai. RioVida is nutritious and packed with antioxidants to form a delicious defense against naturally occurring free radicals!\* 4Life Transfer Factor has been clinically proven to activate your immune function within two hours!\*

## Energy Go Stix® Berry

*On-the-go packets infused with 4Life Transfer Factor and a blend of energy-boosting ingredients\**

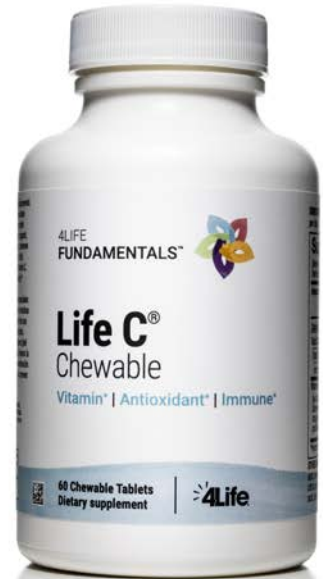

Mix Energy Go Stix in eight ounces of water for a synergistic blend of amino acids, botanicals, nutrients, and just enough natural caffeine to keep you alert and active for several hours. Energy Go Stix is a top-selling energy product designed to give you a quick response without a crash. It's a delicious, berry-flavored energy boost!\*

## Life C® Chewable

### *Proprietary blend of vitamin C*

Life C Chewable combines seven different forms of vitamin C to help maximise the benefits of vitamin C throughout the body. Providing more than just ascorbic acid, each form of vitamin C contained in this product has a different mechanism of absorption, which means you can enjoy the benefits of an extra boost when you need it most. In addition, Life C Chewable's seven forms each perform a different function, providing a broad range of antioxidant support.\*
