Bora Bora Phase 2 Promotion

If you have not secured your *Over the Water Bungalow* for Bora Bora, there's still time! We are announcing **Phase 2** for this dreamy destination. Here's how it works:

- Qualifications: Same as Phase 1
 - Gold International Diamonds – qualify 3 times
 - Platinum International Diamonds – qualify 2 times
- Qualification period: July 2020 – March 2021
 - Note: All July activity will be counted and will run concurrently with the Las Vegas incentive.
- All new Gold International Diamonds and Platinum International Diamonds will earn a reward to Bora Bora.

Phase 2 Notes:

1. If you **DID NOT** earn the Bora Bora trip in Phase 1, you have another opportunity. What great news!
2. If you **DID** earn the Bora Bora trip in Phase 1 and earn it again in Phase 2, you can choose between one of the following:
 - a. Cash amount of \$20k=Gold International Diamond, or \$25k=Platinum International Diamond
 - b. Trip reward for 2 more travelers
3. Phase 2 of Bora Bora does not include cash bonus pools.[†] This is another layer of earning running concurrently with Las Vegas Convention benefits.

Thank you for your patience and understanding as we work to plan around the current challenging circumstances.

Best,

The Recognition and Events Team
