

MyShop for Preferred Customers Terms and Conditions

- MyShop Rewards are added to Preferred Customer accounts the day after a purchase on their MyShop site.
- MyShop Rewards are automatically applied at checkout on the Preferred Customer's next order.
- Preferred Customers can redeem MyShop Rewards of up to 50% of the wholesale price (before any Instant Discount is applied) of the order.*
- MyShop Rewards are non-transferrable.
- MyShop Rewards do not expire or decrease in value, and there is no maximum limit that can be accrued.
- Orders placed on MyShop sites that meet the 250 LP requirement are eligible for free shipping.**
- Should someone sign up as a Preferred Customer under an existing Preferred Customer's MyShop site, the MyShop owner is converted to an Associate. The new Associate will receive a 25% Rapid Reward for this signup, and a 25% commission on all future purchases made on their MyShop site.
- Preferred Customers can defer new Preferred Customer signups on their MyShop site to their sponsor—allowing them to keep their Rewards (savings on future orders), and the sponsor to receive commissions from any subsequent orders placed by the new Preferred Customer.

**Free shipping is only applicable to orders placed in the Philippines of 250 LP or more.
