A Message from our President and CEO

We are so grateful for everything that has happened in this incredible year! We launched new products and many of you reached new ranks! We are so proud of everything you've accomplished in 2023.

We also launched the Fast Start program this year, which is one of the fastest growing programs in 4Life history. With the Fast Start program, you can earn extra bonuses during your first year when you advance in rank. Many people have already reached new heights with Fast Start.

The Fast Start program has helped us share 4Life Transfer Factor with more homes, and we are closer than ever to reaching our goal of sharing 4Life Transfer Factor with 3 million new homes by 2030.

I want to invite you to join us for 4Life Convention: Visión in April 2024 in Salt Lake City, Utah. We will launch new products, recognize your success, participate in service projects, and more! We hope you'll come and share your unique talents and vision with us in Utah!

Best wishes,

Danny Lee

A Message from our General Manager

Sometimes, we go through such difficult experiences that we focus on things we may have lost or did not achieve. When we go through such experiences, we may find it difficult to get out of that dark place. These feelings and experiences are different for every person, but, personally, I have learned that to free myself of such burdens, I only need to look at all the things I am grateful for, and it helps immediately shift my perspective from pessimistic to optimistic.

We often hear about the law of attraction, and maintaining a positive mindset, but how do we achieve a positive mindset? Try identifying all the things you are grateful for. Focus on the good things you currently have, no matter how simple they may seem, such as your family or your health. Even the fact that you woke up this morning is something to be grateful for. When we focus on gratitude, it is almost impossible to be stuck in a negative mindset.

One of the things I am always grateful for is being part of 4Life. The opportunity to impact the financial wellbeing and health of others is a blessing because it gives what I do purpose. A supportive team of Affiliates and staff who have become my family is something I highly value.

As we enter our 18th year in the Philippines, the future is filled with limitless possibilities. We have strong and talented Affiliate leaders; a capable and dedicated corporate team; very generous promotions; unique, effective, and substantiated products; a beautiful new office in Manila; and the list goes on and on. I am confident that 4Life Philippines will reach new heights because we have everything, we need to achieve the vision we have set out for our organization.

Warm Wishes,

Eileen Tan-Dario

I will never stop endorsing 4Life, and I hope that by doing so, I will be able to serve and help them towards a better life.

Billy Quibod
Davao City

I humbly see myself as an instrument of God with a specific mission to help and serve others. I believe God gave me both a business mind along with a heart that seek to help others. While engaging in business, it is my ultimate goal to earn not just for myself and my family, but to serve and help a lot of people, especially those working with me. I engaged in multiple business endeavors, which included joining various food supplement companies, but I never experienced the joy and fulfillment 4Life gave me.

4Life is a great business opportunity that bestows substantial financial returns. 4Life also provides amazing incentives like travel abroad, massive giveaways, and free products. Furthermore, the benefits 4Life products offer are truly a gift from God. I personally benefitted from 4Life products, and I look and feel younger. In fact, with the help of 4Life products, I feel better than ever before.*

I will never stop endorsing 4Life, and I hope that by doing so, I will be able to serve and help them towards a better life.

Success is not just a destination; it's a journey filled with challenges, perseverance, and growth. Every setback is a setup for a comeback, and every obstacle is an opportunity to prove your resilience.

In the face of adversity, let determination be your driving force, and let passion be your guiding light. Believe in your abilities, for you possess the strength to turn dreams into reality. Success is not defined by the absence of failure but by the courage to rise each time you fall.

Jocelyn & Arnold Alberto
Rizal

I am an accountant by profession and my wife Jocelyn has a mass communication degree.

We entered a lot of businesses before we joined 4Life. The stress of running traditional businesses took a toll on my health, so we started looking for an opportunity that would provide us the time, financial freedom, and health benefits that our family needed.

After years of searching, we finally found 4Life and straightaway learned about the 4Life business. After discovering and experiencing the beauty and efficiency of the products and the business plan, we made it our passion to help others Do Life Differently. We travelled from one place to another to share the wonderful 4Life opportunity and help others achieve and live their dreams. We have been with 4Life for eleven years, and have experienced the life we once only dreamed of.

We are now reaping the fruits of all our hard work—living in a 3-story house, sending our children to international schools, qualifying for 4Life incentive trips, spending quality time with loved ones, travelling together as a family, and enjoying healthier and more rewarding lives.

We were recently included into the DSAP Hall of Fame as Entrepreneur of the Year. And with our advancement to Silver, we qualified for a cruise in July 2024.

I am a staunch advocate of using digital platforms, product presentations, and business training to find new customers.

Maria Carla Antonette Urgino
Mandaluyong City

I achieved the rank of International Diamond in 2014, just four months after joining 4Life, and became 4Life Philippines' youngest Affiliate to ever reach that rank. This year, I was able to repeat the same feat by becoming 4Life Philippines' youngest Silver Affiliate.

Prior to 4Life, I managed my own restaurant, but stiff competition prompted me to close it down. My parents, Carlos and Mapette, who at that time were starting to build their 4Life organization, encouraged me to take part in the business.

I was in my 20s, and found it challenging to explain the products and the business to older people. A breakthrough came from a "cold call" with a stranger who agreed to meet with me to discuss the 4Life opportunity. From then on, my business has grown steadily.

I am a staunch advocate of using digital platforms, product presentations, and business training to find new customers. Hence, it was a breeze for me and my team to move online when the pandemic hit. During this time, I became one of 4Life Philippines' top Affiliates. I also qualified for various trip incentives to Malaysia, South Korea, and the U.S. I qualified for several Great Escape trips, the most recent of which was the Da Nang, Vietnam trip. And from advancing to Silver, I also qualified for the China-Japan Spectrum of the Seas Cruise in July 2024.

Nycolei Ann Marquez

As a young mother, I saw education as my only path to provide security and pride for my family. Years of perseverance passed, and I became a registered nurse and a licensed teacher. I was planning to work abroad, but the thought of leaving my son was unbearable. Instead, I had several online jobs.

I didn't fully understand what the 4Life opportunity was, but when my family tried the products and began to experience remarkable results, I started to wonder, "What about 4Life makes people stay?"

I began to open my mind, listen, and really consider 4Life as a viable option. I realized that juggling two jobs, struggling without saving money, and, worst of all, not having time with my son, was not worth it. I needed a gamechanger, and that gamechanger was 4Life!

Despite challenges like lack of funds, no business experience, a very small network of connections, and a lot of dream crushers, I still pursued 4Life.

To my surprise, the business flourished amid the pandemic. I hit my six-digit income as a Presidential and qualified for the Great Escape Trip, Korean Convention, and Diamond Holiday. My team was on fire, and they also qualified for the Go Next Level bonus and other 4Life promotions.

Thanks to 4Life, my family and I moved from a 20 sq m studio-type room we rented for seven years to our very own two-story house. In March 2023, I experienced a 5-star vacation in Da Nang, Vietnam with my husband and team, and in July 2024, my husband and I are going on the Great Escape China-Japan Spectrum of the Seas Cruise. Most importantly, 4Life granted me the priceless luxury of spending quality time with my family.

The online system of 4Life made it simpler for us to share our story and establish meaningful connections with our prospects. Now, my team is still growing, built on trust and empowering each other's potential. As a new Bronze, I know this is just the beginning of Doing Life Differently!

Efi Medialdea
Parañaque City

When I first heard about 4Life, I wasn't interested in the products or the business.

I have always been on the other side of the table since my background was in materials management. I was a Procurement Manager for 20 years and spent another 10 years in Demand Planning and Logistics for four different multinational pharmaceutical companies. For all those years, I thought dietary supplements were the last resort for any health concern. That changed when I was introduced to 4Life products.

I became curious about 4Life Transfer Factor ReCall and 4Life Transfer Factor products, so I encouraged my 92-year-old mother, a retired principal, to try 4Life Transfer Factor ReCall. I also recommended she take 4Life Transfer Factor products for immune support. My mother loves these products, and I firmly believe they have made her life better. I began sharing my stories with friends and family, unaware that I was already conducting business.

Sharing the products has offered numerous health benefits for those who have used them. These products really work! My team has grown, and they have shown a lot of potential, driven by their families' improved health and quality of life.

It has now become my mission to share 4Life and give HOPE!

I believe this is just the beginning of Doing Life Differently! I am looking forward to the life changes and exciting adventures I will experience with 4Life.

I praise God for introducing me to the 4Life family, which has now become my second family! To God be the glory!

What are you

GRATEFUL

for?

Manny Koh

Gold

I am grateful for 4Life because even at age 75, I am still active in business and in life because of our strong and amazing Transfer Factor products. Because of this, I am still able to help affiliates achieve their dreams.

Mikhail Jan Jan Koh

Gold

I am grateful for the opportunity to live life differently because of the 4Life opportunity, to teach others to do the same, and promote good health to everyone I meet.

Dr. Catherine Mendoza

Gold

We are now living the life of abundance that we dared to dream and create during our times of scarcity, realizing that the bedrock of all these is gratitude! I am grateful for that time when we had nothing tangible but had everything we need to turn our struggles into our desired realities. Though by then not yet, but through the might of courage and unbreakable spirit along with hard work, they were sure to come. And indeed, they came to be.

Cynthia & Jun Orellana

Gold

I'm so grateful for everything that's happening in my personal and business life. I'm incredibly grateful when life goes well or even when it goes badly, because it is through these situations that make gratitude essential and powerful. In the face of hardships and challenges, I am grateful that I have coped, learned and grown. I trust in our almighty God that all of these have greater purpose! I am so grateful to 4Life, God's given opportunity, for making me be an instrument in helping many people around the world when it comes to health and wealth!

Gari Gabrinao

Bronze Elite

I am grateful for the life God has been providing me, including this 4Life opportunity that has brought so much change in my life like good health, comfortable lifestyle, the travels, the opportunity to help not just my family but other people as well, the recognition and respect from loved ones and peers and the time and financial freedom to pursue my other passions.

Jocelyn & Arnold

Alberto | Silver

We are truly grateful for all the blessings in our life, and the lessons learned. We are thankful to the 4Life opportunity and to our Team AA family, we appreciate the trust you've placed in us.

We are forever grateful to our kids who's been our source of inspiration and we are deeply thankful for all the blessings we've received. Just do the right thing and be a blessing to others!

Rebecca Encinas

Bronze

Be thankful for what you have because it is only when we appreciate and feel grateful that the path to happiness and well-being begins. So, start counting your blessings, develop the habit of being grateful for every good thing that comes to you, and find time to thank the people who make a difference in your life. I am grateful to my family, friends, business partners and leaders and I am grateful that I have been blessed with opportunities to be of service to many.

Dionisia Cleofe Ibarra

Bronze Elite

I am grateful that we've overcome all the challenges our family faced and able to rise above them. I am grateful to my team for always remaining and continuing to be strong and resilient. I am grateful for our 4Life products for keeping my family healthy. To my upline and business partners, thank you for your loyalty and support. Here in 4Life, we are always there for each other because we want everyone to succeed.

Jean Pelias & Vic Alviar | Bronze

We are so grateful that we have now realized our dream of time freedom and financial independence. We are grateful that in our small ways, we also help others make their dreams come true, just by sharing the knowledge we have learned and tested over the years. It has helped us live a comfortable, healthy, and abundant life with our family. As Roosevelt once said, "Happy are those who believe in the beauty of their dreams." So just keep believing in yourself!

Frank & Emeline Uy Tesy | Silver

The 4Life opportunity has given us a chance to create a future that we can imagine. The opportunity has given our children the choice to go to the best schools and to reunite with our friends and families abroad. We are grateful for David and Bianca Lisonbee, for their vision, their passion and leadership. We are grateful for all our partners, affiliates, crosslines, and management. Together, we can serve our communities with the life-changing products and opportunity.

Maria Carla Antonette Urgino | Silver

I'm grateful to our God who is the God of infinite chances. I am grateful for the challenges because challenges build character, stronger relationships, and dreams. Challenges add extra in EXTRAordinary! I am grateful to you, my extraordinary team, for the sacrifices each one has made so that we can all achieve and level up together. I am so grateful to 4Life, for an amazing experience. The impossible truly is possible!

Nycolei Ann Marquez Bronze

I am grateful to the Almighty because he gave us challenges that allowed us to transform our lives. These challenges led me to 4Life, to the right people with the same purpose and that is to Do Life Differently! I know that he will continuously give us more challenges to respond to, and must confidently face, because along these, he will provide his strength and grace.

Litecia De Guzman

Presidential Elite

I am immensely thankful for being introduced to the 4Life system as it has provided me with the opportunity to not only earn an extraordinary income but also regain my health. I am grateful for the chance to touch and improve the lives of those around me. I thank my team, the management, and staff of 4Life Philippines, my Family, all our uplines, crosslines, friends and all the people who have been part of my 4Life journey.

Carlos & Mapette Urgino

Bronze Elite

We are grateful for many things, but we are mostly grateful for the gift of 4Life by God to our family & organization. We have never experienced time and financial freedom for us and our family the way we are experiencing it now. We know that without the support of our uplines, downlines and of course our management team during our challenging times, we will not also experience the full magnitude of success. To God be the Glory!

Geraldine & Romer Alumno

Bronze

We thank God for his great love, grace, and mercy. We are grateful because he strengthens us for the purpose of each day. We are grateful for God's goodness and blessings over us through 4Life. And we are so grateful for all the people who support us especially our 4Life family and our team where we always belong and whom we are happy to share our life with.
