4Life: 25

In 1998, David and Bianca Lisonbee embarked on a journey that would change not only their lives, but the lives of people everywhere.

Since that time, 4Life has found itself in nearly every corner of the world—with offices in dozens of countries.

4Life continues to grow, and 4Life Global Connexion was a demonstration of this, as people gathered to be inspired and uplifted by the legacy company that has staked its claim as a leader in social selling and 4Life Transfer Factor® science.
