DIRECTIONS: Take one (1) or more packets daily. Limit to 1 packet per day for children.

What Is 4Life Transfer Factor RioVida Burst Tri-Factor Formula?

RioVida Burst® provides the energizing immune system support of 4Life Transfer Factor® RioVida® Tri-Factor® Formula in a smooth and delicious edible gel blend. Bursting with the vitality of açai, pomegranate, blueberry, elderberry, and purple grape, this antioxidant-rich gel blend contains certified 4Life Transfer Factor to help your immune system recognize, respond to, and remember potential threats.*

Key Features

- Is the first-and-only edible gel product that features 4Life Transfer Factor
- Provides a delicious, on-the-go source of essential and supporting vitamins, minerals, amino acids, fatty acids, and polyphenols*
- Delivers antioxidants that help protect the body from naturally occurring free radicals*
- Promotes healthy immune system function that, in turn, promotes healthy energy levels and healthy function of all other systems throughout the body*
- Is protected by U.S. patents: 6,468,534 (extraction process for transfer factors from egg sources), 9,028,882 (transfer factors in an edible gel), and 6,866,868 (combination process of transfer factors from cow colostrum and chicken egg yolks)
- Recent independent laboratory studies show that core 4Life Transfer Factor products bolster Natural Killer (NK) cell activity in the presence of a health threat, while activating a variety of other immune system cells, such as B cells and T cells**
