

4LIFE® TRANSFER FACTOR PLUS® TRI-FACTOR® FORMULA

**4Life's most
broad-based
immune support!**

4Life's No. 1 immune system product features well-researched ingredients to balance and support your immune response.

This product offers immune support from cow colostrum and chicken egg yolks, both of which educate, strengthen, and balance your immune system!

4Life Transfer Factor Plus features our Cordyvant™ blend, which contains maitake, shiitake, and cordyceps mushrooms and other immune-supporting phytonutrient ingredients!

4Life Transfer Factor Plus also contains zinc for added immune support.

When your immune system is healthy, it promotes healthy energy levels and overall wellness.

Give your immune system the very best with 4Life Transfer Factor Plus!
