

# 4LIFE® PROBIOTICS

*Promotes Healthy Digestion*

## INTRODUCTION

4Life Probiotics contains a proprietary blend of five active probiotic strains to provide a wider range of intestinal support. Many of our immune cells reside in our gut, therefore gut health impacts many different areas of overall wellness, including immune system health, weight, cognition, mood, and more. The intake of probiotics will help in promoting the growth of friendly intestinal flora to support our digestive health and general wellness.
