

4LIFE TRANSFER FACTOR® PLUS TRI-FACTOR® FORMULA

For Immune Support

INTRODUCTION

4Life Transfer Factor Plus Tri-Factor Formula combines the power of Tri-Factor Formula (made from cow colostrum and egg yolk) with a proprietary Cordyvant blend to support a healthy immune system and provide a host of other phytonutrient benefits. This formula promotes immune system function to help maintain health, energy, and everyday quality of life.

Your body's potential health threats!

KEY FEATURES

- Contains 4Life Transfer Factor to educate immune cells and promote the immune system's ability to recognize, respond to, and remember potential health threats
- Contains a proprietary combination of antioxidant-rich natural fruit juices, including açai, pomegranate, blueberry, and elderberry
- Protected by U.S. patents: 6,468,534 (extraction process for transfer factors from egg sources), 9,956,258 (stabilization of transfer factors in a liquid delivery format) and 6,866,868 (combination process of transfer factors from cow colostrum and chicken egg yolks)
