

# ALOE VERA STIX

*Aloe Vera Powder  
for digestive health support*

## INTRODUCTION

Aloe Vera has been used for centuries throughout the world. This product supports healthy gastrointestinal function and soothes the gastrointestinal tract. It also supports the immune system and improves antioxidant capacity. Many of the health benefits associated with Aloe Vera have been attributed to the polysaccharides contained in the inner gel of the leaves.

## KEY FEATURES

- Contains 150mg of Aloe barbadensis (Aloe Vera) inner leaf extract (200:1) per packet, equivalent to 30,000mg of pure aloe vera gel.
- Contains 30mg of Vitamin C per packet to support immune health and strengthen the body.
- Naturally rich in bioactive compounds such as vitamins, minerals, antioxidants, and amino acids that are beneficial to health.
- Comes in a portable, single-serving powder packet.
- Refreshing tropical fruit (pineapple-peach & pear) flavor.

## HEALTH BENEFITS

- Aids natural cleansing processes of the gastrointestinal system
- Supports healthy gastrointestinal function
