

# 4Life Transfer Factor® Cardio

4Life Transfer Factor Cardio is a scientifically studied cardio-supportive formula with ten heart-healthy ingredients that helps maintain healthy heart function. Give your heart some love with 4Life Transfer Factor Cardio!

Supports **cardiovascular health** with Vitamin B6, Vitamin B12, folic acid, selenium, ginkgo biloba, and garlic bulb extract.

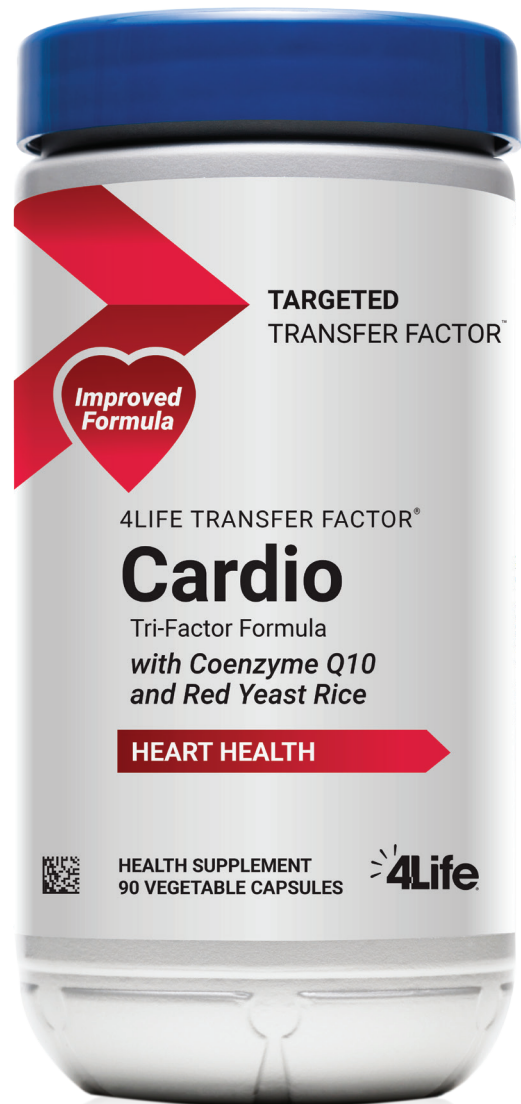

Supports **healthy blood pressure** with magnesium and **healthy cholesterol levels** with red yeast rice.

Supports the **immune system** with 4Life Transfer Factor®.

Supports **antioxidant levels** with coenzyme Q10 and resveratrol.

**Did you know** your immune system protects your heart? Your heart also creates important immune messenger molecules. These two systems are closely connected!
