

4LIFE TRANSFER FACTOR® CARDIO

For Heart Health

INTRODUCTION

4Life Transfer Factor® Cardio features ten heart-healthy ingredients to support robust heart health and help the body adapt to environmental stress. It promotes healthy cholesterol and blood pressure levels while supporting eNOS levels, which are essential for optimal blood circulation. Powered by 4Life Transfer Factor®, this product helps enhance immune system function and acts as the first line of defense for heart health.

Your body's potential health threats!

KEY FEATURES

- Features vitamins B12, B6, and folic acid; magnesium, and selenium to support cardiovascular health
