

4LIFE TF-BOOST™

For Immune Health

INTRODUCTION

4Life TF-Boost is formulated to power up your immune system cells. This orange-flavored, light effervescent formula is pleasant to consume, and it offers the highest dose of 4Life Transfer Factor among all 4Life products (1,000 mg). TF-Boost contains 4Life Transfer Factor, which helps to improve your immune system functions. Take this product when you need a powerful immune system boost, especially in times of mental and physical stress. TF-Boost also contains vitamin C, zinc, and vitamin D to provide wide-spectrum immune system defense and antioxidant support, replenish lost electrolytes to support hydration and promote healthy energy levels.

Your body's potential health threats!

KEY FEATURES

- Contains 1,000 mg of 4Life Transfer Factor (more than any other 4Life products) for powerful immune system support.
- Provides 1,000 mg of vitamin C (equal to more than 10 oranges) to support the immune system and antioxidant levels.
- Contains zinc and vitamin D for immune system support.
- Features a delicious orange flavor in a light effervescent powder with all-natural sweeteners and flavors.
- Offers wide-spectrum immune system defense on the go or when you need it most.
- Supports overall wellness and general health.
