

# 4LIFE TRANSFER FACTOR CLASSIC POWDER

FORMULA

## POWDER POWER

Our original immune system support product, 4Life Transfer Factor® Classic, is now available in a convenient bulk canister. Enjoy its mild cream flavor by adding it to the food or beverage of your choice. Supporting your immune system has never been this convenient.\*

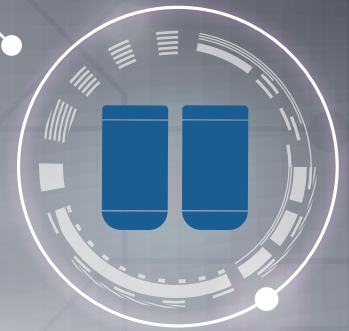

Contains transfer factors from cow colostrum—nature's primary immune system educator\*

Transfer factors help educate the immune system to recognize, respond to, and remember potential health threats.\*

We love happy cows! All 4Life dairies and farms are USDA-certified and many are also FARM-certified.

Each canister provides a 2-month supply of 4Life Transfer Factor Classic.

Recent independent laboratory studies show that core 4Life Transfer Factor® products bolster Natural Killer (NK) cell activity in the presence of a health threat.†\*
