What Is 4Life Transfer Factor Tri-Factor Formula?

This product contains ingredients made by the immune system for the immune system. It represents a revolutionary advancement in 4Life Transfer Factor Science and raises the bar on the standard of immune system support with 4Life Transfer Factor Tri-Factor Formula—a combination of UltraFactor, OvoFactor, and NanoFactor extracts. Recent independent laboratory studies show that core 4Life Transfer Factor products bolster NK cell activity in the presence of a health threat, while activating a variety of other immune system cells, such as B cells and T cells.† Contains 4Life Transfer Factor, which is clinically proven to activate the immune system within two hours!†

At 4Life, we certify all 4Life Transfer Factor products. We pledge to uphold the highest standards of product design and manufacturing for every product we sell. We strive to create products of the utmost quality and efficacy. When you purchase 4Life Transfer Factor products, you can rest assured that you're getting the very best. In fact, we guarantee it.
