

LIFE C® Complexion Primer

PRODUCT DESCRIPTION

Life C Complexion Primer combines vitamin C and powerful botanicals to help improve overall skin tone and diminish the appearance of age spots. It also gives the skin a smooth appearance and primes your skin for optimal makeup application and longer wear. Wake up your skin with this velvety, luxurious formula and experience a more luminous complexion.

DID YOU KNOW?

Your neck and chest areas age in much the same way as the skin on your face. You can apply äKwä® Life C® Complexion Primer to the neck and chest to provide your skin with beneficial antioxidants.

FEATURES

- Provides your skin with beneficial antioxidants
- Gives your skin a smooth appearance
- Contains 4Life Transfer Factor™
- Features an anhydrous formula base with dimethicone, a featured ingredient in the beauty industry's finest makeup primers, which creates smooth, silky skin that is ready for makeup.

LIFE C® Complexion Primer

KEY INGREDIENTS

- **Olive (*Olea Europaea*)** fruit oil and leaf extract help attract and retain moisture for supple skin, provide soothing properties, and maintain the skin's barrier function.
- **Phenylethyl Resorcinol** is a brightening ingredient that promotes even skin tone and reduces the appearance of age spots. It is also a skin protectant that maintains healthy cells and protects against the effects of oxidative stress on the skin.
- **Tetrahexyldecyl Ascorbate** is a stable form of vitamin C and a potent antioxidant for the skin. It supports healthy collagen production, evens overall skin tone, brightens age spots, and maintains the skin's natural barrier response.
- **Retinyl Palmitate (Vitamin A)** provides antioxidant properties and improves the appearance of fine lines and wrinkles and overall skin texture while maintaining hydration in the skin.
- **Tocopheryl Acetate (Vitamin E)** provides superior antioxidants to your skin.
- **Dimethicone** is part of the anhydrous formula base. Dimethicone helps keep the vitamin C in the formula more stable so it can deliver the full force of its brightening support to your complexion.

INGREDIENTS:

Cyclopentasiloxane, dimethicone crosspolymer, tetrahexyldecyl ascorbate, *Olea europaea* (olive) fruit oil and leaf extract, tocopheryl acetate, phenylethyl resorcinol, phenoxyethanol, *Citrus aurantium dulcis* (orange) peel oil, retinyl palmitate, *Helianthus annuus* (sunflower) seed oil, UltraFactor™ (colostrum), silica, and OvoFactor® (dried egg yolk).

DIRECTIONS:

Apply after Glacier Glow® Four-Way Toner or before makeup application by massaging upward in a circular motion.
