What Are 4Life Essential Oils?

4Life Essential Oils have been carefully collected from the finest plants around the world to provide beneficial properties for your body, soul, and life. Each oil's authenticity and aroma wisdom are guaranteed through the 4Life-PIQ™, a proprietary quality process that carefully screens essential oils for purity, authenticity, aroma power, and plant wisdom. 4Life Essential Oils are liberated through steam distillation, safe and high-quality solvent extraction, and cold pressing.

Aromatic Experience

Fresh, brisk, heady, floral, grounding, and calming

Origins

Lavandin essential oil—steam distillation of the flowers of the *Lavandula hybrida* plant from France

Lavender oil—steam distillation of the flower heads of the *Lavandula angustifolia* plant from Bulgaria

Did You Know?

Pure essential oils provide pleasant scents and other beneficial properties that come from 100% natural components. Common air fresheners and body sprays often contain synthetic fragrance components that can elicit certain side effects in some people.

Recommended Uses

- Enjoy a wonderful sensory experience with diffused CalmaVida®.
- Drop CalmaVida into your bathwater or onto a dampened towel in the shower.
- Apply diluted CalmaVida to different pressure points on your body, including the soles of your feet, your temples, and wrists. Test a small area of your skin first to make sure you don't have skin sensitivity.
- Dabble a few drops onto your pillow to help you settle in for the night.
- Treat yourself or someone you love to a massage with diluted CalmaVida.
